UNIVERSITY

THE 1938 MIRAGE DEPICTS

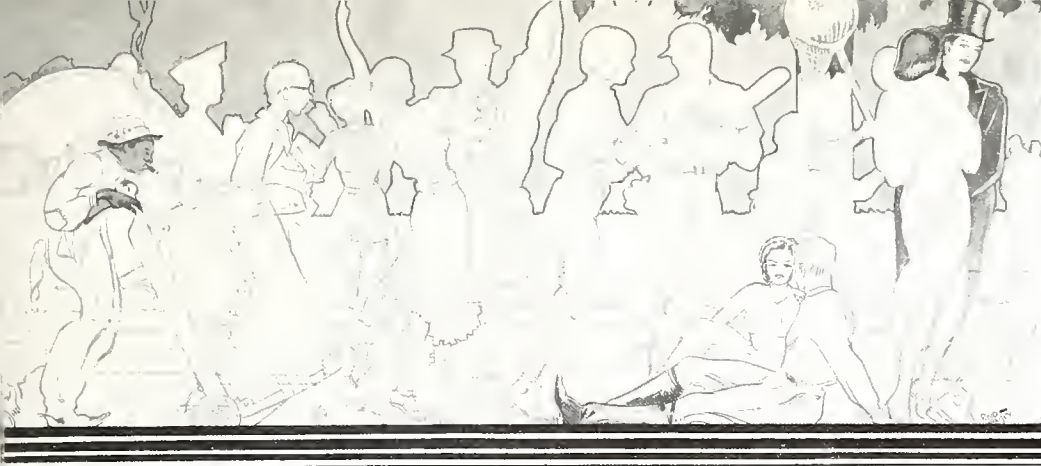

DEPAUW'S
SECOND CENTURY
OF PROGRESS
IN EDUCATION

THE 1938

THE MIRAGE of 1938 at the beginning of the second century introduces to you the pulse of youth—the typical students of the DePauw campus who leave behind them the things at home to seek higher education, formal and otherwise. The artist follows their actions and shows them to you by making them prominent as dark figures in contrast to the lightly sketched ones. The first impression of the freshman is one of awe and stagefright. He looks with envy upon the upperclassmen, he stands in awe of the professors, he sees the shaded greens of the campus grounds as the most beautiful coloring he has ever witnessed. From this initial impression, the freshman soon becomes adjusted to his college life. A fresh warm breeze, green hats, the rhythmical beating of drums, balloons—an ideal

M I R A G E

scene for youth, the Black and Gold, and football. The dates see each other till ten—a mad rush to be in on time—and then good-night. On and on they go—working, dancing, cheering—always together. Fraternity, sorority, prom, Duzer Du, or Wabash make never a dull moment for the typical boy and girl. They have played hard while preparing to meet the serious things which approach, the majors, minors, honors, and finally graduation. There are problems which require knowledge, that kind of knowledge which will continue for the next hundred years to be found at old DePauw. But the students are not to be daunted in their efforts to accomplish great things and still have a good time—for they are the pulse of DePauw youth.

English, history, the sciences, psychology, and foreign languages, all necessary subjects for the formal education of the typical university student are made invaluable by the personal association with the character and personality of the faculty. Those wearing the mortar boards and gowns realize the profits of this friendship—as they leave to pursue their various ways they are determined to distinguish the name of DePauw . . . the juniors are waiting to fill the vacated positions. During four years the class of '38 has worked together . . . elected officers . . . garnered honors, Phi Beta Kappa, Blue Key, Mortar Board . . . and finally graduates together . . . typical of the youth of DePauw.

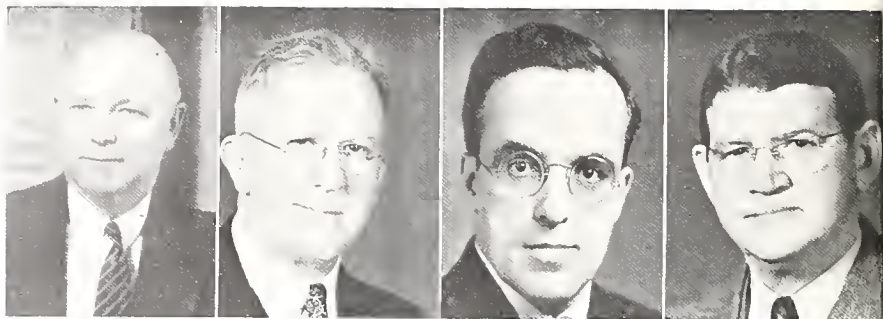

THE ADMINISTRATION

To devote as much time as possible to its educational purposes, the University places the handling of its business in charge of the Administration. With this efficient organization to invest and preserve endowments, to care for the buildings and campus, to organize the faculty and students, and to manage other business relations of the University, the student body and the faculty are able to give more attention to their own kind of business—that of learning.

PRESIDENT WILDMAN

Being the head of the administration, while very important, is only a small part of President Wildman's activity in DePauw University. His active interest in every phase of college life has been shown time after time during his first two years as president of the university. Moreover, by speaking to many and varied audiences throughout the country and by attending educational conferences and discussions, he is DePauw's chief representative to the rest of the world.

BOARD OF TRUSTEES

To the Board of Trustees, DePauw University owes its growth and renown. Controlling the property, finance, and business of the University, it has served DePauw well. From the original twenty-five members provided for in Indiana Asbury's charter, the board has grown to the present number of forty. Its meetings are held four times a year, at which times the problems of the school are given careful consideration. To enumerate the services of the board is impossible, but as one reviews the history of the school, one sees their wisdom in the choice of presidents and professors, in the construction of Asbury Hall which is largely their gift, and in their direction of policies which have brought the University to the successful beginning of its second hundred years.

The Student Affairs Committee is a conciliatory medium between the faculty and student body and is made up of an equal number of representatives from each of the two bodies. The committee considers all suggestions, requests, and communications from the student body, arranges the social calendar, setting the dates for the dances, student plays, and senior class activities, approves elections and appointments of student officers, and has authority to penalize organizations for violating social regulations. This year, through the efforts of this body, twelve o'clock hours were granted for informal dances.

Arthur Remley has presided as chairman of the committee the past year.

Student self-government at DePauw is largely in the hands of the Student Executive Board and the executive committee, whose fifteen members are elected by the student body once a year. In recent years the Hare system of voting has been used in an endeavor to have a more proportionate representation. Under this system of balloting, voters make their choice by ranking all candidates in order of their preference. Candidates are chosen by the several political organizations at conventions held a few weeks previous to the election. The president of the Board automatically becomes president of the student body. Officers for the year 1937-38 were James Carney, president; Dorothy Moore, vice-president; Margaret Nix, secretary; and Jack West, treasurer.

 **HONORARY** 

Phi Beta Kappa, the oldest of Greek letter fraternities, was founded December 5, 1776, at the College of William and Mary as a social fraternity. Since then, however, the purpose of the organization has changed to a purely scholastic one. The members are chosen each year from the senior class for their superior scholarship. Indiana Alpha, DePauw's chapter, was founded in 1889. The officers for the year 1937-38 were Dr. Walter E. Bundy, president; Professor Jarvis C. Davis, vice-president; Professor Jesse L. Riebsomer, secretary; Mrs. Coen G. Pierson, treasurer; and Professor Coen G. Pierson, member of the executive committee. The members elected by the faculty from the class of 1938 were Robert Anderson, Robert Baldwin, Chester Beaman, Roald Bergethon, Thomas Cochran, Norman Grieser, Henry Heintzberger, Curtis Huber, Kendall Lappin, Louise Lindley, Robert Mackie, Ralph Mann, James Martin, Dorothy Moore, Elizabeth Nichols, Paul O'Brien, Jack Oswald, Alan Schneider, Jane Shideler, Arthur Sieben, Paul Van Riper, and Elizabeth Yount.

BLUE KEY

Two years after its founding at the University of Florida, Blue Key, senior men's honorary, was established at DePauw in 1927 to recognize men students who have become campus leaders, maintained high scholastic standards, achieved success in extra-curricular activities, and otherwise contributed their services to the university. Blue Key men can be distinguished by the yellow canes which they carry at football games or on Sunday afternoon walks. Every fall the group co-operates with Mortar Board in sponsoring the Old Gold Day "mixer". Professors Reid Winsey and A. A. Smith were recently made honorary members, while Professors William W. Carson, Harold Zink, L. L. Messersmith, Raymond W. Pence, and Dean L. H. Dirks have belonged to the organization for several years. Paul Van Riper has been president and Edward Morgan secretary-treasurer during the year 1937-38.

Mortar Board is the highest honor a junior or senior woman can receive. The DePauw chapter was established in 1919, a year after its founding at Syracuse University. Its name was taken from a similar senior honorary of Ohio State University. Girls chosen for their outstanding scholarship, leadership, service, and personality are pledged at the annual May Day breakfast. Meetings are held twice a month at which they make their plans for various activities: the Old Gold Day "mixer," a tea for transfers in the fall; and a scholarship banquet in the spring for women students making forty points or more during the first semester. Officers for the year 1937-38 were Louise Lindley, president; Irene Boyd, vice-president; Janet Dow, secretary; and Helen Phillips, treasurer.

ALPHA LAMBDA DELTA

Founded at the University of Illinois in 1924, Alpha Lambda Delta has as its purpose the promotion and rewarding of high scholarship among freshman women. The DePauw chapter was organized in 1927. All freshman women in either the College of Liberal Arts or the School of Music who maintain a half A—half B average for their first semester or entire year are eligible for membership. The organization sends delegates to the annual Student Activity Conferences, assists the Association of Women Students with teas given during orientation week, and co-operates with Phi Eta Sigma in assisting with the annual president's scholarship examinations.

The officers for the year 1937-38 are Betty Mobberley, president; Marian Ellis, vice-president; Elaine DeHaas, secretary; Nancy Neiswanger, treasurer; and Dean Helen C. Salzer, faculty adviser.

The DePauw chapter of Phi Eta Sigma, national freshman scholastic honorary for men was established in 1929, six years after the founding of the national organization at the University of Illinois. The organization seeks to recognize ability shown during a student's first year and to serve as a stimulus to greater endeavor. After earning the half A—half B average required for membership, the Phi Eta Sigma man helps to stimulate the scholarship of succeeding freshman men. This year the local chapter awarded a plaque to the organization whose freshmen maintained the highest average.

Officers for this year were Mark Bright, president; Thomas Amato, vice-president; Roy McCormick, secretary; and Arthur Ryden, treasurer. Dean L. H. Dirks and President C. E. Wildman are honorary members and Dean G. Herbert Smith is adviser.

SENIORS

SENIOR CLASS OF 1938

THOMAS COCHRAN
president

WILLIAM SWEET
vice-president

EMMA G. TUCKER
secretary

The first class to wear the mortar boards and gowns in the new century of DePauw spent its last year under the capable leadership of Thomas Cochran, president; William Sweet, vice-president; and Emma Gene Tucker, Ernest Mellwain, and Alan Schneider, committee members. For the annual senior week in May, Harold Downey was the general chairman assisted by Dorothy Ell, Robert Morgan, Louise Lindley, and Dorothy Moore. One of the high spots of this senior week was the humorous Mock Chapel which was in charge of a committee consisting of Henry Hull, chairman, Loren McDonald, Norman Grieser, Helen Phillips, and Fred Frick. Under the direction of Jack West the Senior Dance, held on May 21, proved to be a huge success. Being the initial class to depart from DePauw in its second century, the class of 1938 decided to leave its Alma Mater a substantial gift. This decision was placed into the hands of a committee headed by Arthur Sieben. Arthur Remley, John Lynn, and Irene Boyd completed the gift committee. Other senior committees were the committee on invitations with Thomas Clinton as chairman and the caps and gowns committee consisting of John Snyder and Mildred Spencer.

The junior class, which participates in so many activities during the year, has as its two main projects the planning of the junior prom and the editing of the yearbook. Under the leadership of Bill Fink, prom chairman, and with the assistance of the class committee, Jack Garra-brandt, Tom Gordon, Katherine Olds, and Alexander Shiach, president of

the class, the prom this year was a great success. The queen of the prom was Katherine Olds. The second undertaking of the class, the editing of the *Mirage*, was handled by Jean Woods, with Elbert Archibald as business manager. The junior ring, awarded to the most outstanding woman of the junior class, was worn this year by Vera Bundy.

THE SOPHOMORE CLASS

The class of '40 has continued the program of activities which it began during its freshman year. Its most important function of the year was the planning of the Sophomore Cotillion, given on February 26. Decorations were in the marine motif, and music was furnished by Bud Bryant's orchestra. All those attending the dance were entitled to cast a vote for their choice of the most popular boy in the sophomore class. This idea was carried out instead of the choosing of a Queen of Hearts, as was done at the same dance last year. The "Sophomore Sucker" was Fred Tucker. The officers of the class for the year 1937-38 were Jack Armstrong, president; James Danforth, vice-president; and Ruth Zitzlaff, secretary.

The class of '41, DePauw's first freshman class of its second century, entered college with a spirit similar perhaps to that of the pioneer classes. The rhinies realized that they were beginning a new chapter in their lives and stood ready to meet new situations.

As campus scenes and traditions became familiar, the class organized, and in December it first acted as a group when it sponsored the "Rhinie Rhumba." Not content with planning original decorations for this dance, the dance committee of the class went on to post little jingles and squibs on the walls of the gym "kidding" the upper classes of the University.

The freshman class committee, chosen early in the fall, was made up of Harry McAuley, chairman; John Borchert, vice-chairman; and Mary Helen Meinerding, secretary.

LITTLE THEATER

One of the busiest spots on the De-Pauw campus is the Little Theater stage. The play season of 1937-38 consisted of five major productions. The first was the Old Gold Day play, sponsored by the Student Executive Board and directed by Professor R. E. Williams. Old grads, students, and parents crowded into the Little Theater on the week end of October 16 to see the rollicking comedy, "Pomeroy's Past" by Clare Kummer. Betty Acuff took the part of a prim spinster who dominated the life of

her bachelor brother Pomeroy, played by James Haman.

On November 5th and 6th Duzer Du, campus dramatic fraternity, inaugurated its play season with the famous Russian farce, "Squaring The Circle" by Valentine Kataev. Lucile Calvert directed the hilarious comedy; and the leading roles were taken by Richard Hamilton, Jack Grady, Ada Moritz, Jeanne Schnackenberg, and Frank Macek.

Audiences were kept on the edge of their seats on March 4th and 5th

while witnessing Ayn Rand's courtroom drama, "Night of January 16th", which was directed by Professor Williams and presented by twenty-four Duzer Du players. The play was unique in that the jury whose verdict decided the conclusion was drawn from the audience.

Duzer Du presented its final play on April 8th and 9th under the direction of Lucile Calvert. The Association of Women Students' May Day production ended the Little Theater's dramatic season.

Jack Grady watches Jeanne Schnackenberg in *Squaring the Circle*, apparently more interested in her than his rations. . . . The accused, Betty Acuff, remains expressionless as District-Attorney Bolshaw listens to a state's witness read exhibit A in *The Night of January 16*. . . . Feared, yet worshiped, Communism his god, Comrade Hanna rules with exacting demands in *Squaring the Circle*. . . . It is a serious matter, *Squaring the Circle*, as is shown by the faces turned toward Comrade Hanna. . . . Attorney for the defense Martin questions Betty Acuff, accused of murder, as Vera Bundy, wife of the man who was murdered on *The Night of January 16*, looks on. . . . Ada Moritz explains some of the truths of Communism to Don Hamilton as they study together in *Squaring the Circle*.

DUZER DU

Top Row—J. Garrabrandt, F. Duddy, J. Randolph, E. Gassin, R. Kemp, L. McNutt.

Row Three—Prof. H. T. Ross, W. Belshaw, W. Mereness, E. Peters, N. Krueger, J. Heck, J. Haman, J. Showalter, Prof. R. E. Williams.

Row Two—Miss Lucile Calvert, M. McGaughey, C. Wise, B. Conser, M. Harrington, R. Reynolds, V. Sunkel, V. Mellencamp.

Row One—V. Bundy, M. Hall, B. Acuff, J. Schnackenberg, J. Grady, B. Hodge, M. Jacobson, J. Dreyer, J. Carney.

Duzer Du, a dramatic fraternity, gave its first performance, Sheridan's "School for Scandal", in 1912. It is not a departmental organization, but a university honorary. To develop the study and to practice the art of producing plays was the idea upon which it was founded. Although Duzer Du does not train students for professional appearance, a number of Little Theater Players have found places on the stage. This organization has been able to finance all of its plays and buy most of the modern equipment of the Little Theater from its own funds.

Members are pledged after two successive try-outs in the fall and are initiated in the spring. This year's officers are Jack Grady, president; Ada Moritz, vice-president; Betty Acuff, secretary; Jim Carney, business manager.

PI EPSILON DELTA

Pi Epsilon Delta, better known as The National Collegiate Players, was established on the DePauw campus in 1923 by the Little Theater group. The organization was founded at the University of Illinois in 1919. Its purpose is to recognize outstanding dramatic work among college and university students.

Pi Epsilon Delta chooses its members on the basis of participation and distinguished ability in dramatic work—in Duzer Du or other plays given in the Little Theater. Leads, supporting parts, direction, production work or other phases of dramatic work may contribute points toward the final selection. Every spring, the professors of the local speech department recommend to a committee of the national organization the students who have earned enough points to be eligible for membership. This committee then chooses the new members.

Officers are not elected and regular meetings are not held by Pi Epsilon Delta. However, the national organization publishes *The Players*, a dramatic magazine, every other month through which members may keep up with activity in the dramatic world.

DePauw faculty members in Pi Epsilon Delta are Professors Robert B. Williams, Herold T. Ross, and Lucile Calvert.

MEN'S DEBATE

Men's Varsity Debate, organized over forty years ago, is an active member of the Indiana Debate League. Under the direction of Professor Herold T. Ross the squad is yearly expanding its activities.

This year the team's program included meets with Oberlin, Wabash, Earlham, Evansville, Lake Forest, John Marshall Law School, and Indiana State Teachers' College. They selected as their question, "Resolved: that the Labor Relations Board should be empowered to enforce arbitration and settle all industrial disputes." DePauw also debated Chicago Kent College of Law and John Marshall Law School over the radio.

Membership in the organization is recognized by the awarding of bronze, silver, and gold keys. The third year of participation in debating makes any member eligible for the honorary Delta Sigma Rho.

Top Row—R. Morrison, I. Boyd, J. Dreyer,

Row One—E. Schwartz, B. Conser, M.

WOMEN'S DEBATE

Women's Varsity Debate was organized in 1927 to answer the need for adequate public speaking training for women. Any DePauw woman, with the exception of freshmen, may attend the debate seminars and try out for the team before selected faculty judges.

The squad met Earlham this year on the question, "Resolved: that the entrance of women into economic and political life is to be discouraged." They debated against Randolph-Macon and Manchester on the question, "Resolved: that the Labor Relations Board should be empowered to enforce arbitration and settle all industrial disputes."

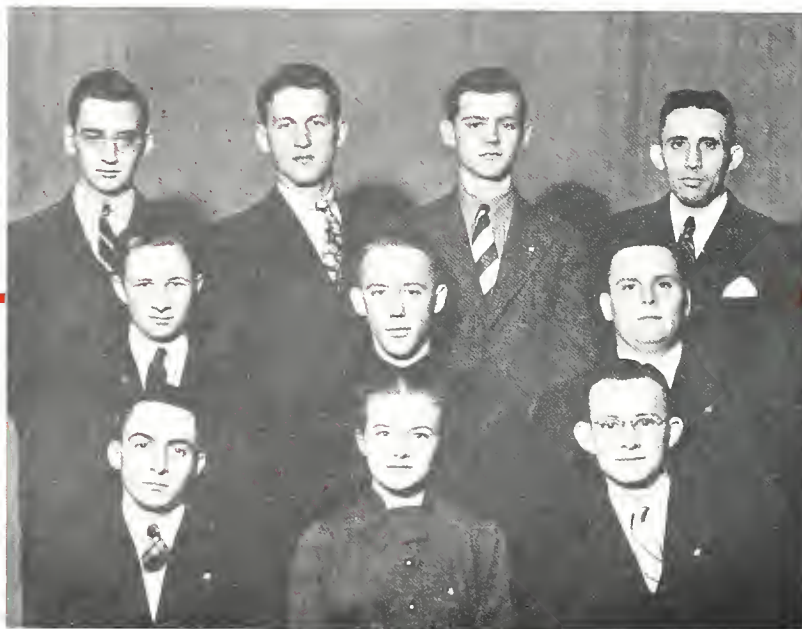

Membership is recognized by the awarding of keys. Bronze keys are given for one year's membership; silver keys for two years' membership; while gold keys indicate membership standing of three years and eligibility for membership in Delta Sigma Rho.

FRESHMAN DEBATE

Top Row—J. Wolaver, C. Kingsley, F. Dudley, Prof. H. T. Ross.

Row Two—R. Myers, P. Bard, J. Salomon.

Row One—M. Kresge, E. Fisher, E. Bowen.

To provide training and experience for prospective members of the varsity team, Professor Herold T. Ross introduced, in 1927, the present idea of an organized freshman debate.

The debate squad competes with other teams and also among its own members, thus providing excellent training and experience for varsity debating. Rewards are given in the form of merit points, and the member having the highest standing at the close of the year is awarded a trophy, at the forensic banquet.

Top Row—Prof. H. Ross, Prof. R. E. Williamus, C. Huber.

Row One—E. Schwartz, J. Konecy, I. Boyd.

DELTA SIGMA RHO

Delta Sigma Rho, honorary oratorical society, was founded at DePauw as the forty-fifth national chapter. Students who have served two years as members on the varsity debate team are eligible for membership.

The aims of the organization are to promote public speaking and develop high standards of oratory. Delta Sigma Rho also sponsors the forensic banquet in the spring at which key awards of bronze, silver, and gold are presented to noteworthy students as marks of distinction. A bronze key is awarded to those having served one year on the varsity debate team, silver keys to those who have served for two years, and gold keys to those who have served for three years.

THE MIRAGE

Few realize all that had to be done before this *Mirage* could pass into the students' hands as a life-time memorabilia of the "good ole days at DePauw". From September to May the editorial staff was writing stories, mounting pictures, and typing while in a neighboring room members of the business staff were rushing to get in subscriptions.

THE DEPAUW

At two o'clock there lies in the editor's basket a stack of raw news and pencil-sketched ads. At six there lies on a fraternity table a finished product—the *DePauw*. Three times a week news writers had scribbled; typists had pounded away; copy-readers had checked; type-setters had worked; and proof-readers had re-checked to bring forth to the students the campus news.

PUBLICATIONS BOARD

The Board of Control of Student Publications, made up of six faculty and six student members nominated by the Student Executive Board, has general supervision over the DePauw student publications, *The Mirage* and the *DePauw*. The Board, however, is responsible to the Student Affairs Committee. Regulation of the financial and administrative affairs of the publications is in the hand of the Board as well as the election of editors, business managers, and their immediate assistants. The remainder of the staffs, appointed by the editors and business managers, carry out the detailed work. Professor W. C. Arnold of the Board acts as financial adviser to both *The Mirage* and the *DePauw*, while Miss Ermina Mills aids in editing the *Mirage* write-ups. Officers for this year were Dr. Wildman, chairman; Dean G. Herbert Smith, acting chairman; Miss Mills, recording secretary; and Professor Arnold, secretary-treasurer.

As DePauw's year book, *The Mirage* attempts to be a pictorial record of DePauw University. Portraits of students and faculty have been supplemented by informal snapshots of DePauw life with the campus as a background. General campus views have been sketched with the assistance of Professor A. Reid Winsey, art instructor.

1938 Mirage

The production of *The Mirage* is more than the compilation and arrangement of material. In order to provide a more efficient system, another staff has been formed to manage the business relations. This staff is headed by a business manager aided by an advertising manager and an assistant business manager.

THE DEPAUW

DePauw was one of the first universities in the United States to have its own newspaper. The first publication, the *Bema*, appeared weekly in 1891. This became the *Era* the year following which evolved into the *DePauw* in 1894. In 1906 it was changed again into the two page *DePauw Daily*. The *Daily* continued until 1921 when the tri-weekly *DePauw* of today took form.

The *DePauw*, campus newspaper, is published by its student staff every Monday, Wednesday, and Friday during the school year. General school news, sports, announcements, society news, editorials, and other features appear regularly in its four or more pages of five columns each. Besides serving as news organ of the University, the *DePauw* is a laboratory for journalism students.

On the editorial staff of the *DePauw* there are three city editors, each of whom takes charge of one issue a week. The editor-in-chief has general supervision over the whole editorial division and determines the paper's policy. The business staff, headed by a business manager, handles the circulation, advertising, collection and payment of bills, and generally manages the *DePauw* business relations.

Alpha Delta Sigma, national advertising honorary, was founded at the University of Missouri in 1913. The DePauw chapter, founded in 1930, is one of twenty active chapters, all of which are affiliated with the Association of Advertising Clubs of America. The members are selected for pledging from the business staffs of *The Mirage* and the *DePauw*. The pledges may be recognized by the sign boards which they carry prior to initiation. Alpha Delta Sigma seeks to raise the standards of advertising, unite all men working in advertising fields, and train men for the advertising profession. *The Alpha Delta Sigma Quarterly* is published by the fraternity. Professor Paul J. Fay is the faculty adviser. The officers for the year 1937-38 were Robert Dewar, president, and John Life, secretary-treasurer.

SIGMA DELTA CHI

The DePauw chapter of Sigma Delta Chi, founded in 1909, is the oldest chapter of the oldest national journalistic honorary fraternity. Membership is limited to upperclassmen who have been outstanding in campus publications and who intend to be newspapermen after graduation. Many prominent men in the newspaper field today were pledged during their college years. Besides meeting weekly to discuss journalistic problems, Sigma Delta Chi is active in campus affairs. Formerly the group sponsored unusual dances such as the Roundhouse Rattle and the Satchmo Swing. This year, however, they have revived the old "Showdown," an amateur show given by social fraternities and sororities.

Officers for the year 1937-38 were Fred Frick, president; Paul Van Riper, secretary; Sterling Roberts, treasurer; and Etaion Shrdlu, honorary vice-president.

Theta Sigma Phi, national journalistic honorary for women, was founded in 1909 at the University of Washington. The DePauw chapter was organized in 1919 with the hope that it might encourage the more active participation of women in college journalistic projects. Theta Sigma Phi publishes the Old Gold Day and May Day issues of the *DePauw* every year. In the spring it sponsors the Matrix Table Banquet to which are invited the outstanding women on the campus to hear some prominent woman in the field of journalism. On Old Gold Day Theta Sigma Phi announces its new pledges.

The officers for the year 1937-38 were Kathlyn Holway, president; Elizabeth Yount, vice-president; Janet Dow, secretary; and Betty Finch, treasurer.

TUSITALA

To encourage creative writing, Tusitala was founded in 1908 by a group of DePauw students. The name was chosen in honor of Robert Louis Stevenson, whom the natives of Samoa called "Tusitala" or the "teller of tales". The group is not a departmental club nor does it have a faculty adviser. The members are chosen each year by the active members. Each prospective member submits two manuscripts—one long and one short manuscript. These are read by each member of the organization and pledges are chosen according to their writing ability. Tusitala does not have officers nor a formal organization but meets informally once a month for discussion and the reading of manuscripts. Many of its members hold responsible positions on the staffs of the *DePauw* and *The Mirage*, while many alumni members have distinguished themselves in the writing and journalistic fields.

 **MUSIC** 

THE MARCHING BAND

Enthusiastically supporting the teams with music and spirit, the DePauw marching band of forty-eight members is an integral link in the university's activities. It was instituted by a group of ten students not long after old Asbury College itself was founded. Continuing its activities through the years, in 1910 it became an athletic pep organization as well as a concert band. A few years later it was absorbed as a R.O.T.C. military band. However, when the R.O.T.C. was abolished, the band resumed its former status. The band this year sponsored Herbert Petrie and his "White Hussars", a brass ensemble of national repute. Each year the band plays at the Indianapolis speedway for the famous five-hundred mile classic. The band is under the direction of Professor Bjornar Bergethon.

THE SYMPHONY ORCHESTRA

The DePauw Symphony Orchestra, formed twenty-seven years ago, is now under the direction of Bjornar Bergethon. Membership in the orchestra gives many students who, although not enrolled in music school, do play musical instruments, an opportunity to develop their interest and ability. At special concerts given each semester well-known soloists add to the attractiveness of the program. Special music at Christmas, accompaniment for the University Glee Club, and out-of-town concerts are included in the yearly activities of this organization.

This year the orchestra played for the group offering "The Messiah", which was given previous to the Christmas vacation. Two concerts which were given here on the DePauw campus were well attended by the student body, and plans were made for a symphony concert in Indianapolis.

The University Choir, now in the twenty-sixth year of its history, has an enviable record as one of the leading college choral groups in the Middle West. The choir, under the personal direction of Dean Van Denman Thompson, who assumed the leadership upon the resignation of Dean Robert Guy McCutchan, includes students from both the College of Liberal Arts and the School of Music, who have been selected by Dean Thompson upon the basis of tryouts.

Every Wednesday the University Choir sings at worship chapel. In addition to its campus appearances, the choir has for many years engaged in intra- and inter-state performances. This year's itinerary included two trips to Chicago, where it appeared at the University of Chicago and Northwestern University.

MU PHI EPSILON

Mu Phi Epsilon, a national music honorary for women, was founded in 1903 at the Metropolitan College of Music, Cincinnati, Ohio. Zeta chapter, founded at DePauw in 1905, carries out the tradition of the national organization in promoting scholastic achievement, good performance, and a spirit of friendship among music school students. All junior and senior students who are in the upper quarter of their classes in Music School are eligible.

Mu Phi sponsors the annual inter-sorority sing and plans teas for entertainment of Music School students and faculty. Its Christmas serenade of familiar carols has become a DePauw tradition. The officers for the year 1937-38 are Mildred Wessel, president; Jeanne Buss, vice-president; Mary Fuller, recording secretary; and Jean Stewart, treasurer.

To encourage the composition and performance of American music, Phi Mu Alpha, national honorary for men, was founded at the New England Conservatory of Music at Boston in 1898. In 1911 the Lambda chapter was established at DePauw. Membership is usually limited to upper-classmen on the basis of musical ability, interest in music, and good scholarship. Several years ago the organization edited and published *The Songs of DePauw*. The inter-fraternity sing held in the spring is under the management of Phi Mu Alpha.

The faculty members are Professors V. D. Thompson, E. G. Shadbolt, L. B. Gale, H. E. Greenleaf, E. R. Bartlett, H. C. Berg, B. Bergethon, H. Kolling, and M. Thompson. Officers for the year 1937-38 are Ted Marvin, president; Robert Myers, vice-president; Charles Tritt, secretary; and Frank Duddy, treasurer.

THE UNIVERSITY QUARTET

Although this was the first year for the organization, the University Student Quartet has already gained an excellent reputation and will undoubtedly become a permanent organization at DePauw. The members are selected from students of singing in the School of Music. Being primarily a concert organization, the group appears in concerts on and off the campus and over the radio. This spring the quartet capably presented a formal concert at Meharry Hall. For the year 1937-38 the University Student Quartet consisted of Jeanne Buss, soprano; Kathryn Olds, contralto; Gilbert Martin, tenor; and Bernard Martin, baritone. The group was directed by Miss Edna Tyne Bowles and Mr. Edward G. Shadbolt, who is pianist for the new organization.

The Women's Glee Club was organized this year in response to the desire which has been growing during the last few years for a group of this sort. It is the only opportunity that the women in the College of Liberal Arts have for organized singing. Its aim is the promotion of interest in music for the women students. Miss Edna Bowles, the director, was instrumental in forming the group.

An executive board, made up of representatives of the houses and halls of residence, is the governing body.

The Women's Glee Club has appeared on various musical programs during the year. At Christmas time the combined Men and Women's Glee Clubs, together with members of the faculty, townspeople, other students, and the orchestra, presented "The Messiah" by Handel.

MEN'S GLEE CLUB

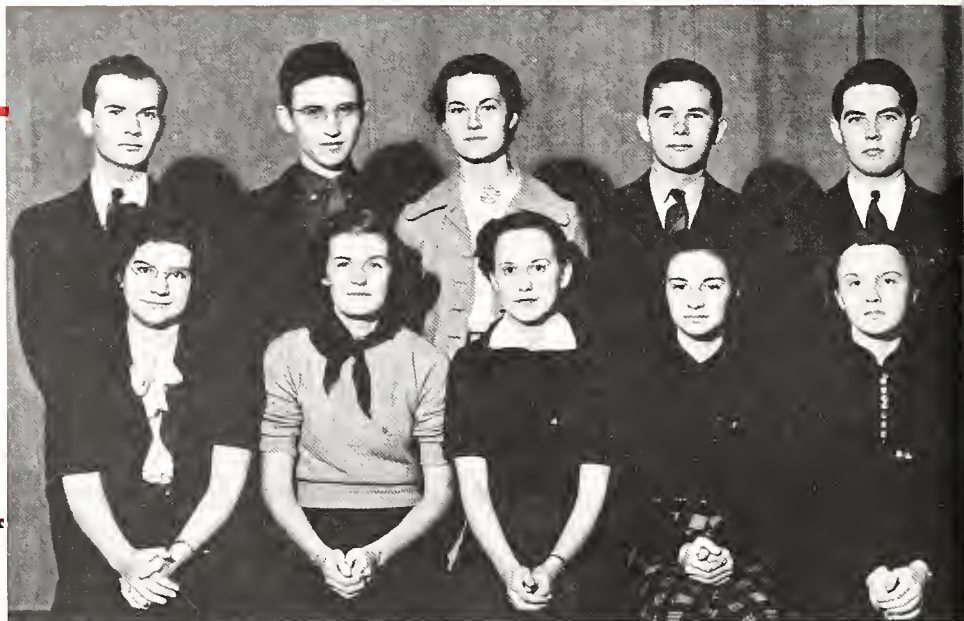

After several years of absence from the DePauw campus, the Men's Glee Club was organized at the beginning of this school year under the direction of Professor Van Denman Thompson. The membership of the new organization consists of four members selected from each social fraternity. The group sang before the students at chapel on several occasions and presented a program over the radio in the second semester. The high light of its activities was the home concert given on May 3 in Meharry Hall. The first year having been so successful, the Men's Glee Club will undoubtedly be a permanent organization on the Old Gold campus. Doctor Martin Thompson directed the songsters and Curtis Shake provided the accompaniment. The officers for the year 1937-38 were Gilbert Martin, president; Frank Duddy, secretary; and Stewart Stevens, librarian.

AMERICAN GUILD OF ORGANISTS

The DePauw chapter of the American Guild of Organists was established in 1925. This is a national organization which was founded in 1896. The aims of the organization are threefold: to discuss professional topics, to raise the standards of competence for organists by means of examinations, and to encourage good organ and church music. Members of the guild attend several concerts in Indianapolis each year. New members are elected to the guild by the vote of the present members and the faculty. The requirement for membership is a high scholastic standing in the study of organ. Dr. Van Denman Thompson is the faculty adviser, and the officers for the year 1937-38 were Charles W. Tritt, president; Mildred Wessel, vice-president; Marion Seller, treasurer; and Mary Fuller, secretary.

— DEPARTMENTALS —▶

The Artus Club, the local chapter of Omicron Delta Gamma, was organized at DePauw in 1927. A national honorary fraternity for economics majors, the organization aims at promoting an active interest among students and faculty members in present-day economics, fostering first-hand information not available in the classroom, and furthering co-operation between the department and the student body. Any man with

a B average or above in both the economics department and the university, who has taken at least sixteen hours in the economics department, is eligible for membership. Pledging is decided by a vote of the active chapter. Faculty members include Professors Hiram Jome, A. A. Smith, and Fred W. Ritchie. The officers for the year 1937-38 were Norman Grieser, president; Arthur Sieben, secretary; and Harold Rodeck, treasurer.

DELTA OMICRON CHI

Delta Omicron Chi, founded on the DePauw campus in 1934 under the sponsorship of Dean Blanchard, was established to help achieve a fraternal relationship among those students interested in medicine. Pledging, which takes place in early fall, is restricted to sophomore and junior men. Meetings are held every week, during which time papers on some important subject in the medical field are read by the members.

Members of this organization are recognized by the green hats emblazoned with white skull and crossbones which they wear.

Officers of DOX for 1937-38 were Ed Morgan, president; M. J. Moore, vice-president; and Bob Koss, secretary-treasurer. Faculty members of Delta Omicron Chi are Doctors W. M. Blanchard, J. M. Fulmer, G. W. Giddings, and Professor A. E. Reynolds.

Der Deutsche Bund, a member of the American Federation of German Clubs, was reorganized in 1925 after being disbanded during the war. Students recommended by the faculty for having done outstanding work in the German department are eligible for membership. The purpose of this organization is to create an active interest in German political life, social customs, and literature. This year, before Christmas, the members

presented the traditional German Christmas Play. Among the cast were Emily Ivey, playing the part of Maria, and Gene Heil, playing the part of Joseph. The faculty members of Der Deutsche Bund are Dr. G. H. Grueninger, Dr. G. Baerg, and Dr. E. M. Mueller. The officers for this year were Henry Heintzberger, president; Emily Ivey, secretary; and Richard Geckler, treasurer.

THE EDUCATION CLUB

The Education Club was founded at DePauw in 1928 by students interested in education and its problems. The club meets the third Thursday of each month to hold informal discussions, after which the members mingle socially for a short time. The discussions are conducted by the club members. At Christmas the club had a party, at which some of the members sang carols from different

countries. The club is planning to have an exchange meeting with the Education Club at Indiana University some time in the spring.

The officers this year are Frances Mathes, president; Betty Hubbard, vice-president; Betty Finch, secretary; and Lewis Berg, treasurer. The faculty advisers are Dean Louis H. Dirks, Dr. Fowler D. Brooks, and Dr. Earl C. Bowman.

Epsilon Epsilon, established in 1914 by Dr. Rufus T. Stephenson, is probably better entitled to a Greek name than any other organization on the campus, as it is an organization for students of Greek. This club endeavors to present to its members the values of classical learning and also to show them the spiritual qualities of the keen Greek mind. Throughout the year several plays are presented by the club members.

To fill the club's social needs, the club holds a banquet annually and has a picnic at the last meeting of the year.

The officers for this year were Carleton Hodge, president; Robert Wright, vice-president; and Robert Leslie, secretary-treasurer. The faculty members of Epsilon Epsilon are Dr. Rufus T. Stephenson and Miss Dade B. Shearer.

HISTORY CLUB

The History Club has been an active organization on the DePauw campus for twenty years. Junior history majors with an average of B in the department and senior history majors are eligible for membership. With the express purpose of stimulating interest in history the club gathers on the first Thursday of every month. The meeting usually consists of a talk by a member of the faculty or some authority followed

by an informal discussion. One meeting of each year has been set aside for the discussion of graduate work in history. Professor W. W. Carson is the adviser of the organization, and the sponsors are Professor A. W. Crandall, Professor G. B. Manhart, and Professor C. G. Pierson. The officers of the History Club for 1937-38 were James Martin, president; Chester Beaman, vice-president; and Betty Offutt, secretary.

The Home Economics Club, a national organization, was founded at DePauw in the year 1919. It is composed of both majors and minors in that department. During the year, the club sponsors programs featuring outstanding women in the field of home economics. The purpose of the club is to familiarize the students with the broader vocational opportunities open to them in this field. It

is a tradition of the club to make and sell fruit cakes each year at Christmas. This year through the sale, it was possible for the club to make a gift of furniture to the Home Management House. The officers for 1937-38 were Beth Ann Williston, president; Beatrice Wyman, vice-president; Dorothy Henderson, secretary; and Betty Smith, treasurer.

NAPIERIAN CLUB

The Napierian Club, named after the man who devised the system of logarithms, was organized on the DePauw campus in 1925 to stimulate interest in mathematics, and more specifically, to promote the study of subjects not covered by regular classroom work. Membership, though not restricted to majors and minors in the department, is limited to students who have enrolled in the course in

integral calculus and who have a B average in the department. At occasional open meetings, to which all those interested are invited, the group discusses problems of general interest which do not require a background of calculus. Officers for the year 1937-38 were Henry Heintzberger, president; Ralph Mann, vice-president; George Dickson, treasurer; and Edwin Lindsay, secretary.

Founded at Allegheny College in 1922, Phi Sigma Iota, the honorary fraternity of the Romance language department, has now more than twenty-five chapters. Only teachers and advanced students in French, Spanish, and Italian can hold active membership. At the meetings of Phi Sigma Iota papers are read on the life and literature of countries in which the Romance languages are spoken, and a yearly contest for the best paper of this type is held by each

chapter. The winning essay of each is published in the *News Letter*, the official publication of Phi Sigma Iota.

The faculty members of the DePauw chapter are Professors P. G. Evans, Mildred Dimmick, L. H. Turk, J. A. Ramsey, and J. W. Childers. The officers for 1937-38 were Kendall Lappin, president; Dorothy Bell, vice-president; Sarah Devol, secretary; and Professor L. H. Turk, treasurer.

PI SIGMA ALPHA

Phi chapter of Pi Sigma Alpha, the national political science honorary, was founded at DePauw University in 1932 through the efforts of Professor H. W. Voltmer. Membership is based upon a major in political science, a B average in that department, and at least a C average in all other courses. New members are chosen by the senior members in the organization each year. The purpose of the society is to extend

student political activities beyond school work. Political papers are read and discussed at the monthly meetings.

Members of the faculty connected with Pi Sigma Alpha are Professors Harry W. Voltmer, William W. Carson, Harold Zink, and Vernon Van Dyke. Officers for the year 1937-38 were Alan Schneider, president; Curtis Huber, vice-president; and Tom Cochran, secretary-treasurer.

The founding of Sodalitas Latina in 1896 makes it the oldest departmental club on the DePauw campus. Acting as a social organization, its purpose is to interest students in the Roman classics and to acquaint them with Roman customs, history, and life. To be eligible for membership, the student must be either a major or a minor in the Latin department. Meetings are held once a month, at which time papers are presented

dealing with some phase of Roman civilization.

Professor Dade B. Shearer is the faculty adviser of the club, with Dr. R. T. Stephenson supervising its activities.

Officers for the year 1937-38 were Irene Boyd, president; Betty Finch, vice-president; Morton Offett, secretary; and Lillian Applegate, program committee chairman.

TOYNBEE

Toynbee was founded on the DePauw campus in 1910 for the purpose of stimulating interest in social work and sociological research. Only majors in the department who have maintained a scholastic average of C in all their work are admitted to membership. It has been the custom to have some well-known authority on sociology address the organization for the last meeting of the year. In addition to these meetings, the

club makes trips throughout the year to various institutions in Indiana as part of its program.

Dr. L. M. Jones and Professor Paul Glick are the faculty advisers. The officers for the year 1937-38 were Ruth Wade, president; Elizabeth Allen, secretary-treasurer; Louise Krueger, historian; and Wendell Wright, chairman of the program committee.

CAMPUS CLUBS

Alpha Phi Omega was organized at LaFayette College in 1925 for Boy Scouts who wished to maintain their interest in scouting during their college years. The DePauw chapter, Alpha Upsilon, was installed in 1936 and has since become active both on the campus and in scout work. The regular activities of the organization are in the nature of civic service, helping the local Boy Scouts and

supplying them with merit badge examiners, advisers, and leaders. On campus it handles the registration of alumni and fathers on Old Gold and Dad's Day. Dr. Edward R. Bartlett and Dr. Lester M. Jones are the faculty advisers. The officers for the year are: Robert Anderson, president; Frank Duddy, vice-president; Richard Kiger, secretary; and George Peters, treasurer.

A. W. S.

The Association of Women Students, organized at DePauw in 1915, was founded to foster closer relations among women on campus. The organization sponsors a conference each year composed of women representatives from other colleges to meet and exchange ideas. The board composed of officers and one member from each women's residence meets twice a month.

Activities of A.W.S. include distribution of Thanksgiving baskets to the needy, sponsorship of the Gold

Diggers' Ball, publication of *Around the Boulder*, the Campus Sister movement, a vocational conference, and the Monon Revue. Two funds are maintained, a scholarship for DePauw women and an annual gift for DePauw's sister college at Madras, India. Officers for 1937-38 were Rosalind Barrows, president; Peggy Offutt, vice-president; Marie Hole, secretary; Virginia Mellen-camp, treasurer; Betty Acuff, campus-sister chairman.

Beta Alpha Sigma, sophomore men's honorary fraternity, has for its purpose the stimulation of a unified interest in campus activities among the representative students in the freshman and sophomore classes. Beta Alpha Sigma seeks to bring together men of different social fraternities and organizations and to improve inter-fraternity relationships. Although the fraternity is primarily for sophomores, members from the preceding class provide officers for the organization and

often attend meetings. At its meetings problems are discussed and constructive campus activities are developed. The fraternity was founded at DePauw, April 8, 1936, by Philip Oxnam, John Brandon, Robert Zaring, Edward Morgan, Willis Blatchley, and Dr. Hans Grueninger.

The officers for this year were Kennard King, president; Joe Barr, vice-president; Allison Maxwell, secretary; and Robert Landeck, treasurer.

CHICAGO CLUB

The Chicago Club, the first one of its kind on the DePauw campus, was organized in 1929 by a group of students from Chicago for the promotion of fellowship among students of that vicinity. The success of this club has served as a stimulus for the formation of other DePauw city clubs. Each year during Christmas vacation the club sponsors a dinner dance in Chicago. This year it was

held in the Congress Hotel where Jimmy Dorsey was playing. Active membership includes about forty-five students representing Chicago and some eleven suburbs. Election of officers is usually held in the gymnasium in the fall of each year. The officers for the past year were Betty Parker, president, and Gene Dennie, business manager.

The College Women's Church Council, organized on the DePauw campus in 1936, has been active in Christian Church work. The membership includes DePauw student women and Greencastle girls of college age who are members of the church and who are chosen on the basis of character, leadership, and intellectual interests. The council aides in the activities of the church, helps the members in their moral and religious problems, and acts as an opinion-

forming force on the campus. It sponsors social meetings for the students and at Christmas time entertains the orphans of the Greencastle Orphans' Home. The Women's Church Councils from Purdue and Indiana Universities are entertained each year. The officers for the year 1937-38 are Emily Wolcott, president; Marjorie Lewis, vice-president; and Emily Carolyn Conklin, secretary-treasurer.

DAYTON CLUB

In 1935 a group of DePauw students from Dayton, Ohio, organized the Dayton Club with the aid of the DePauw alumni from that region. The primary purpose of the organization is to further DePauw's interest among prospective students in Dayton and its vicinity. To carry out this aim the club sponsored a rushee dinner during the Easter vacation this year. The campus organization is in close contact with

the alumni club of the home city and thereby acts as a medium of publicity. During the vacation periods the group has given dances and banquets in order to maintain and promote fellowship among students from the Dayton area. Frequently the organization gathers in Asbury Hall to plan its activities. The officers for the year 1937-38 were Norman Grieser, president, and Keith Max, secretary-treasurer.

To promote interest in aviation and to provide an opportunity for university students to learn to fly, Robert Oxnam organized the DePauw Flying Club in 1935. Flying instruction is given the members Saturday mornings, weather permitting, in a two-place monoplane, by transport pilot Clarence Dowdin. Several students have already made their solo flights and have passed a Department of Commerce test giving them a solo rating which allows con-

tact flying. Some hope to get their pilot's license while still in school. The club is growing and hopes to own its own plane some day. Members are trying to stimulate enough interest in flying so that DePauw will eventually compete in inter-collegiate air meets.

Officers for 1937-38 were Robert McLean, president; Ralph Haas, vice-president; Stanley Melby, secretary; and Norman Grieser, treasurer.

FALLS CITY CLUB

At the beginning of the school year the Falls City Club, following the formation of similar city clubs, was organized by the students from Louisville, Kentucky, and from New Albany and Jeffersonville, Indiana. The purpose of the club is to bring together the students from these districts for social functions during vacations and to create a strong group-feeling on the DePauw campus. At Christmas time a dinner-

dance was held at the Crystal Terrace at Jeffersonville. Under the direction of Alan Schneider, president, and Marilyn Reeder, vice-president, several meetings of the group were held during the year to make plans for various other gatherings. The enthusiasm exhibited by the club members promises to make the organization serve an important function on this campus.

The Methodist Student Union, open to students of all denominations, was organized on the DePauw Campus in 1930 for the purpose of offering Epworth League activity to the students of DePauw. Each Sunday evening an open forum and fellowship hour are held. One of its most important activities is the providing of deputation teams for various churches around Greencastle. These teams take charge of the Sunday

services at the churches when the pastors cannot be present, and often exchange programs with Indiana, Purdue, and Terre Haute Teachers' College. Professor Herold T. Ross is the adviser of the group, and the sponsors are Dr. E. R. Bartlett, Dr. C. D. W. Hildebrand, and Dr. Lester M. Jones. The officers for the year 1937-38 are Robert Leslie, president; Betty Campbell, vice-president; and Virginia Porter, secretary.

RELIGIOUS EDUCATION CLUB

The Religious Education Club, which endeavors to co-ordinate religious activities on the campus, was founded at DePauw in 1925. The organization aims to stimulate personal and professional interest in religious education, to provide fellowship for those interested in the program of the church, and to allow an opportunity for additional study in religious education. The group co-operates with the Y.W.C.A., the Ox-

ford Club, the Presbyterian Student Union, and the Methodist Student Union. Any student majoring, minor-ing, or taking courses in the depart-ment may be admitted into the group by vote of the active members. Offi-cers for the school year 1937-38 were Virginia Porter, president; Robert Wright, vice-president; Carl Smith, secretary; and Thomas Hendrix, treasurer. The faculty sponsor is Dr. E. R. Bartlett.

Founded in 1921 at DePauw University, the Oxford Fellowship is one of twenty chapters in Methodist colleges in the United States. All students interested in church service are eligible for membership. The purpose of the group is to promote the challenge of the Christian ministry and to acquaint the members with the problems of the ministry and church service. One of the activities has been the maintenance of

a gospel team of three speakers, of which Robert Scully is the deputation team leader. Under the supervision of Dr. C. D. W. Hildebrand the Fellowship has heard such men as Dr. Mosby, of Indianapolis, and Dr. Isaac, of Terre Haute. The officers for this year were Robert Leslie, president; Robert Wright, vice-president; Carl Smith, secretary; and Morris Morgan, treasurer.

PRESBYTERIAN STUDENT UNION

In 1936 the Presbyterian students of DePauw banded themselves together and became recognized as a campus organization. The Presbyterian Student Fellowship now plays an important part in the relations between the church and the college. The members take an active part in the Sunday School, church choir, and church services. The Fellowship meetings are devoted to the discussion of campus, national and inter-

national, social, educational, and religious problems. The program usually includes a university or off-campus speaker followed by a discussion period. The regular meetings, which are held each Sunday evening, are open to all students who wish to attend. The Reverend and Mrs. Victor Raphael are the sponsors of the group, and the Fellowship program chairman for the 1937-38 term was Robert Showalter.

The Student Board of Deacons, established in 1932, is composed of DePauw men who are members of the Christian Church and who are selected to lead the activities of college students in the Greencastle Christian Church. The members are chosen from the three upper classes on the basis of church activities, leadership in church and school, and scholarship.

The Board sponsors the Student

Round Table and the original College Forum. It works in conjunction with college groups from Purdue and Indiana Universities in annual Purdue-DePauw-Indiana conferences. The DePauw group meets under the leadership of the Reverend R. T. Beck. Officers for the year 1937-38 were Fay Spurlock, president; Elmo Paff, vice-president; and J. R. Thomas, secretary-treasurer.

YANKEE CLUB

The Yankee Club was organized in 1936 to help bring together DePauw students from the New England states and to make arrangements for their transportation to the East at vacation time. By arranging to travel in groups on trains or in automobiles, the members are able to make their journeys more enjoyable. The group meets several times a year at homes of the faculty sponsors. The Club already has fifty-four members. The

officers for the year 1937-38 were Nason Burden, president; Emily Ivey, vice-president; Dorothy Henderson, secretary; Robert Leslie, treasurer; and Paula Eddy, social chairman.

The sponsors are Dr. and Mrs. Clyde E. Wildman, Dr. and Mrs. P. G. Evans, Dr. and Mrs. L. R. Eckardt, Dr. and Mrs. Andrew Crandall, and Dr. H. E. H. Greenleaf.

The Y.W.C.A. strives to promote women's activities and to stimulate varied interests. Dividing the organization into several groups gives each girl a chance to take part in the work in which she is most interested. The international relations group, the leisure hour group, the choral speech group, and the civic service group are all supported.

The advisory board, headed by Dean Helen C. Salzer, consists of

Mrs. Clyde E. Wildman, Miss Dade B. Shearer, Dr. Winona Welch, Miss Virginia Harlow, Mrs. Gerhardt Baerg, Miss Ermina Mills, Mrs. A. A. Smith, and Mrs. W. W. Carson. Professor Reid Winsey serves as adviser to the publicity committee. The officers for the year were Dorothy Moore, president; Irene Boyd, vice-president; Mildred Gadiant, secretary and Esther Jacobs, treasurer.

Second in line of seniority and Head Coach of Athletics at DePauw is Donovan C. Moffett, better known to the university at large as "Tubby". After graduating from DePauw in 1922, he coached at Brazil High School and Central High School in Lima, Ohio. He returned here in 1927, and now coaches basketball and the Tiger line. He received his A.M. from Columbia in 1930 and is working toward a Doctor's degree at Indiana University.

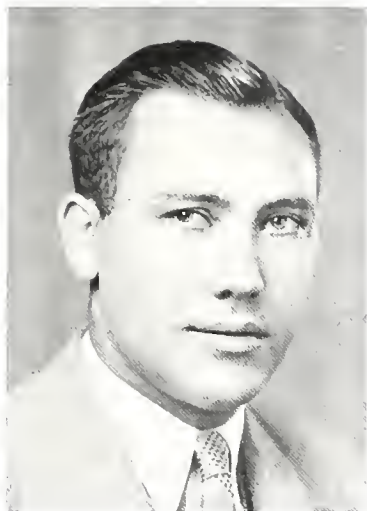

COACH MOFFETT

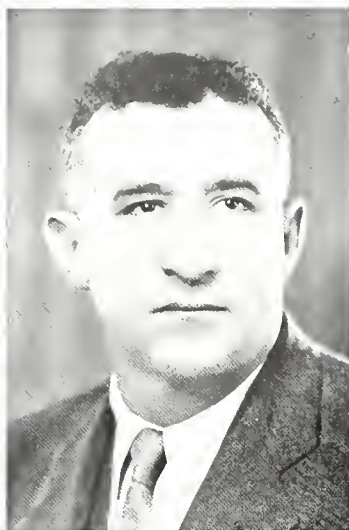

COACH BUCHHEIT

Turning out winning track teams has been the aim of Coach Leroy C. Buchheit, senior member of the Old Gold coaching staff, ever since 1918. Through good years and bad, he has always pro-

duced a team worthy to speed DePauw's colors around the cinder oval. Prior to accepting the position of track coach at DePauw, he coached at Hillsdale College in Michigan.

COACH MESSERSMITH

COACH NEAL

COACH UMBREIT

Fourth in length of service at D. P. U. is Lloyd L. Messersmith, director of Intramural Athletics and varsity baseball coach. He graduated from DePauw in 1928 and went to Shortridge High School in Indianapolis to coach for two years. In 1930 he came back to DePauw as the freshman baseball and football mentor, a post which Willard Umbreit assumed in 1932.

Raymond R. Neal, third in seniority in the coaching roster, came to DePauw and the position of football coach in 1929. He graduated from Wabash College and Washington and Lee University. Gaumy has consistently turned out good football teams, reaching perfection in 1933 when the Tigers were undefeated, untied and unscored on. The 1937 eleven was also a credit to his coaching ability.

In 1932 Coach Willard E. Umbreit joined the DePauw athletic staff and assumed the position, formerly held by Coach Messersmith, as mentor of the freshman baseball and football squads. In addition to this, he has charge of varsity swimming and assists in varsity baseball. "Umby" received his A.B. degree from North Central College, Naperville, Illinois, and his Master's degree from Columbia.

MANAGERS AND TRAINERS

When a fast break on the hard-wood results in a swish of the basket, or a sturdy line holds its ground on the 1 yard marker, little thought is ever given the boys in the locker rooms who have faithfully done their part in seeing that these athletes can give such performances. An ankle untaped or a cleat loose on a shoe might cause a winning play to fail or keep a hero from being made. Thus, reliability and diligence must be the chief characteristics of a good manager or trainer, for the coach leaves to them the routine tasks of

keeping the athletes in physical fitness, seeing that equipment and uniforms are where they should be, and finally writing the results of each conflict.

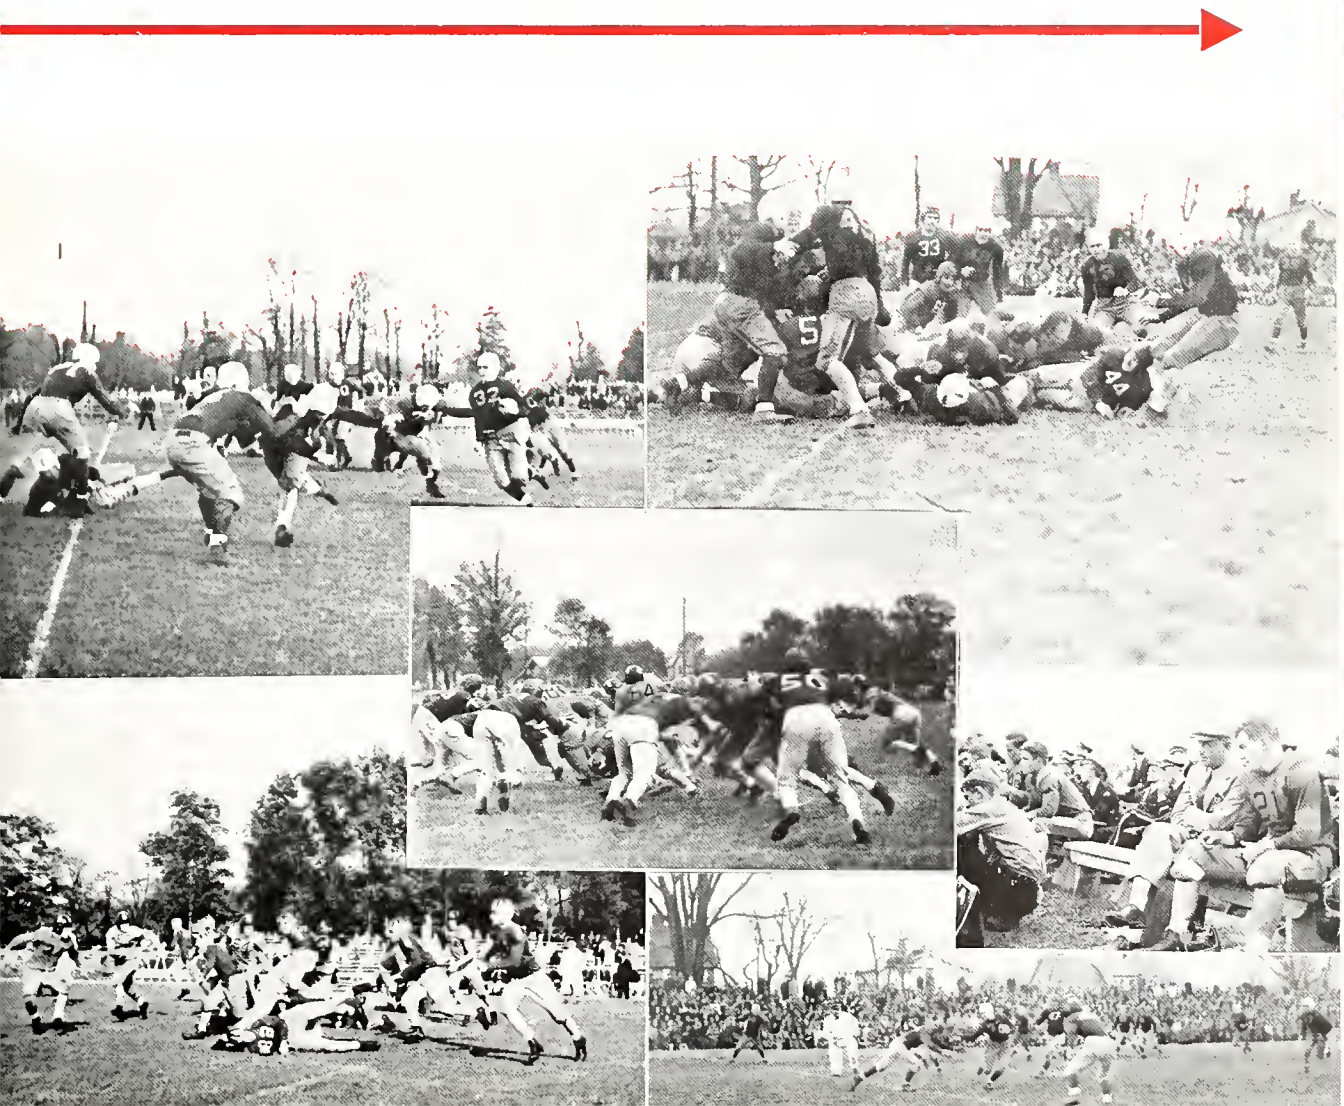

This year's senior managers were James McIntyre, football; James Baxter, basketball; Robert Springer, baseball; Davis Auckland, track; Charles Bateman, minor sports; Charles Harbottle, indoor intramurals; and Donald Wright, outdoor intramurals; the senior trainers were Dean Rogers, football; Robert Rusie, basketball; and William Drewes, track.

VARSITY FOOTBALL

The outlook for the football season for 1937, while not rosy at the beginning of the year, improved after the opener, September 25, when the Tigers defeated the Manchester Spartans at Blackstock Field 7 to 0. The game was spotty, but Gaumy Neal was pleased with the showing of some of the graduates from the ranks of last year's freshman team.

Randels and Bartley got off to a good start in this game captained by Jack Oswald. The Old Gold's chief weakness lay in their offense.

Considerable improvement marked the Tigers' second game on their home field, October 2, when they cut loose with a brilliant attack, dormant through the Manchester game, to

completely out-pass, out-block, and out-charge a highly touted Rose Poly eleven. The game ended with DePauw on the long end of a 20 to 0 score which was the second conference victory for the Nealmen. Passes were responsible for two touchdowns, and diminutive John Scott, half-back, reeled off forty yards for the third marker. Four sophomores flashed through: mainly, Max Bartley, line smasher, Glenn Hager, tackle, John

Scott, half-back, and Joe Edwards, end. Longshore's accurate passing and Randels' running, aided by these sophomore stars, made it a hard game for the lads from Rose Poly.

On October 9, Franklin came to Greencastle and was swamped 41 to 6. The Grizzlies were powerless against DPU's sparkling aerial attack. It was the third straight win for the Tigers and the highest score

Tigers chalk up their fourth straight win by tallying twice in the final period. On the second down, Bartley suffered a dislocated elbow and was taken from the game to be on the bench for several weeks. On the second play of the final period, a penalty, of half the distance to the goal, for slugging paved the way for the first DPU score. This penalty placed the leather on the Cardinals' 27 yard

any DePauw football team had made in two seasons. In the third quarter a pass dropped into the arms of a Franklin receiver and the first score against the Bengals was made.

Four thousand fans jammed Blackstock Field October 16, Old Gold Day, to see the Ball State Cardinals go down to defeat 13 to 0. The old grads who returned for Old Gold Day will have something to talk about for some time after seeing the

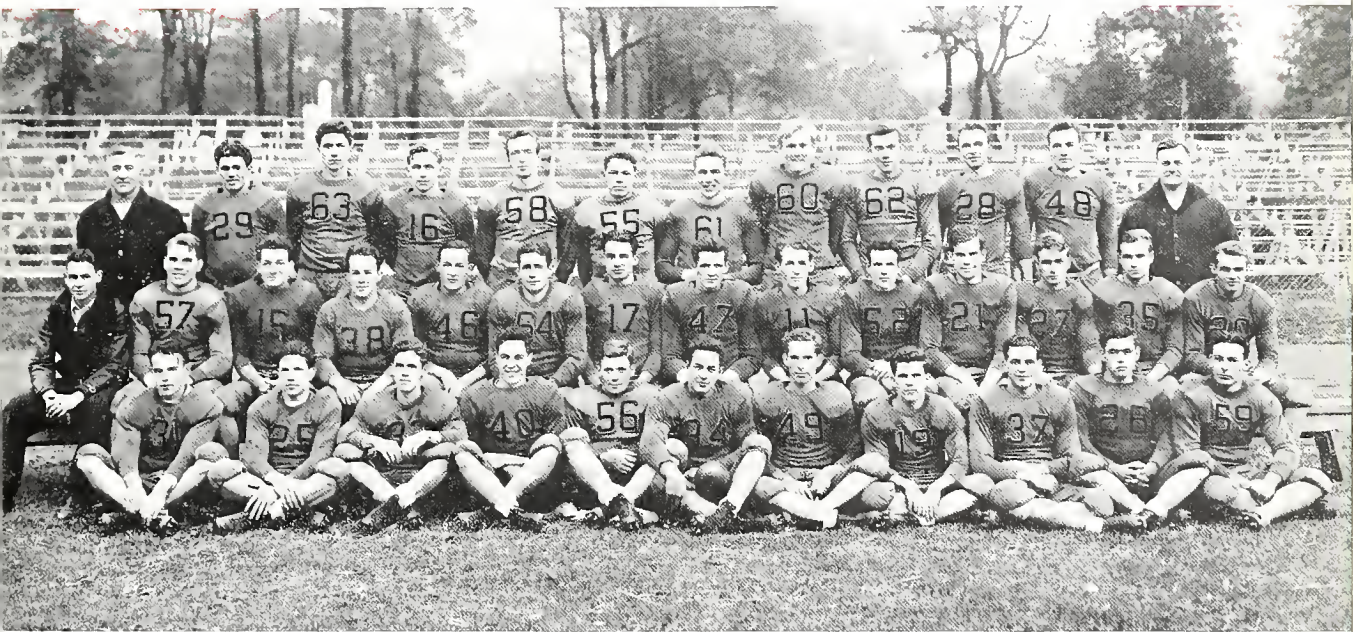

line; Shiach rifled a pass to Joe Edwards who stepped over for the first tally. Four plays later, Harold Downey took a punt on his own 36 yard line, crossed the field, cut back, and behind perfect interference sprinted 64 yards for a touchdown. Thus, another successful Old Gold Day game, this one featured by rough tactics, was put into the records.

The D men played their first game on foreign soil on October 23 when

they went to Evansville and beat the Purple Aces 13 to 0, thus maintaining their position on top of the Indiana conference. On a cold, rainy day and on their own field, the downstate team proved much tougher than was anticipated. Downey and Edwards did the scoring for DePauw.

After a lapse of seven years, Butler and DePauw renewed hostilities on Blackstock Field, October 30. In spite of the fact that the Bengals led in yardage gained on the ground and in the air, the Bulldogs took a 12 to 0 victory back to Indianapolis with them. Butler capitalized on two lucky breaks they had to score. The game left them on top of the Indiana conference heap, undefeated, and shoved the Tigers into third place.

After their defeat by Butler, the Old Gold came back strongly in their game with Earlham, November 6,

and walloped the Quakers 33 to 0 before a large Dads' Day crowd. As evidence of DePauw's furious attack Earlham gained only 15 net yards, counting both running and pass plays, to DePauw's 303. Downey played an outstanding game for the Bengals. This victory put the Old Gold back in second place in the Indiana conference, trailing only the undefeated Butler.

DePauw left the campus *en masse* on November 13 and went to Crawfordsville for the annual Monon Bell classic with Wabash's Cavemen.

It was their homecoming but there was no joy in town that night because the Tigers handed the Neolithics the worst defeat since 1901, 32 to 0. Five DePauw seniors played their last game for the Old Gold: Harold Downey, Jack Oswald, Chuck Kendall, Dunk Dewar, and Bill Sweet. Shiach, Bartley and Rohn starred for the Nealmen. The famous Monon Bell returned to the campus after a lapse of three years, and the 1937 football season closed with a fine record of seven wins and one loss.

Franke crowds in between two Franklin players in a scramble to get the ball off the back-board. Landeck comes to join the conflict.

Another game starts with Franke stretching to get the ball for the Old Gold. Kix Miller and Landeck await eagerly.

Varsity Basketball

DePauw's varsity eagers had a long and not-too-successful season in 1937-38, winning eight games and losing nine. The Tigers showed alternate flashes of power and lethargy, but always played a clean, hard game. The roster was bolstered by sophomores, several of whom made good showings during the season.

The curtain was rung up with an impressive 48-29 win over Rose Poly December 2. The first half was see-saw, but Coach Moffett's Bengals walked away with the fast-tiring Engineer squad in the final periods. Twelve varsity men saw action.

The Big Ten and tough competition were invaded when the Tigers took on Indiana University and were defeated 45-25. The game was very cleanly played from the Tiger standpoint, only one foul being called on the Old Gold all evening.

DePauw took the Oakland City Oaks into camp on December 11

43-30 for their second consecutive conference victory. At the half, the Moffettmen trailed 19-18, but opened the Oak's defense in the second half and uncovered a powerful scoring machine that was never headed.

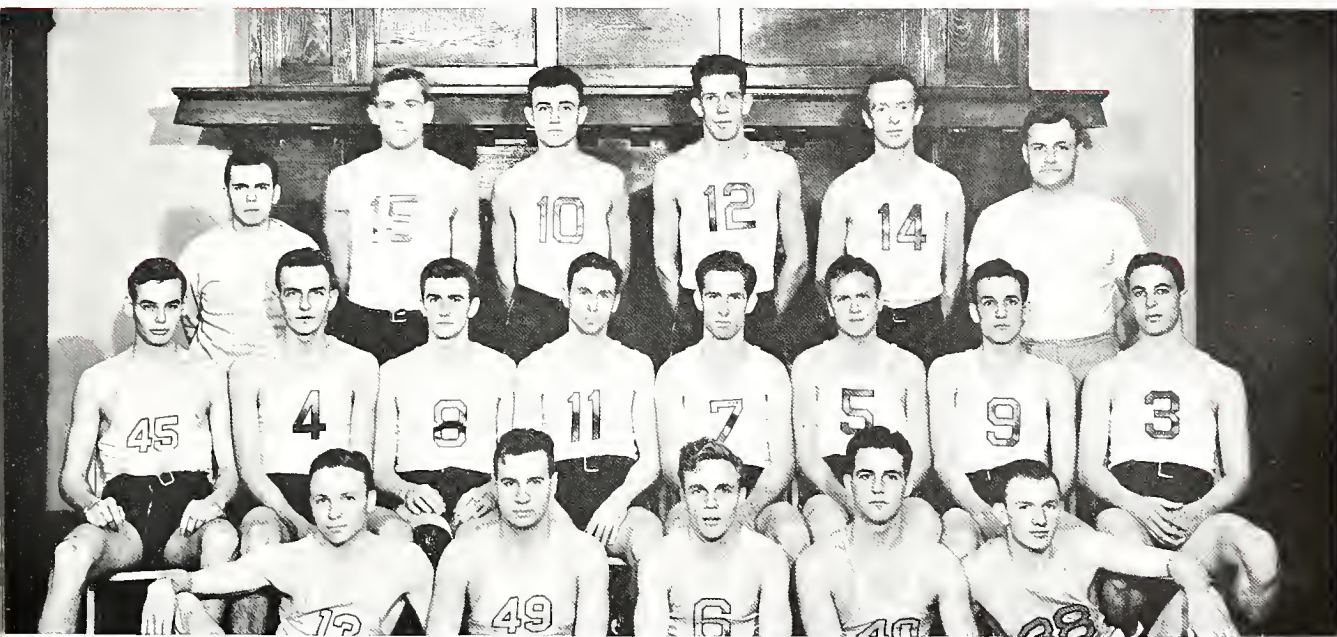

The motive of revenge for last year's defeat was not enough to offset a weak offense, and the Moffettmen lost to Drury College of Missouri 25-13 on December 13. So ineffective was the Tiger attack that they made only three field goals the entire game, of which Lindsay accounted for all three.

DPU's netmen hung up a 34-30 decision against Beloit, Wisconsin December 16 in a pre-holiday inter-sectional battle. The Bengals led at the half 20-14 and, although Beloit threatened in the final period, managed to maintain their lead. Ed. Lindsay garnered 12 points to lead the scoring.

Coach Tubby Moffett's Tigers scored an upset against Boston University 31-24 on New Year's Eve on the local hardwood. The contest was marked by much roughness on both sides, 25 personal fouls being called during the game, 15 on Boston and 10 on DePauw.

The Old Gold cagers suffered their first conference defeat, the first of four consecutive losses in the conference January 4 when they dropped a close one to the Earlham Quakers,

34-32. It was a see-saw affair, but Earlham's fast break proved too much.

January 8 saw DePauw at Franklin where the Moffettmen dropped their second conference game 32-26. The Grizzlies showed plenty of power, winning their ninth straight victory on their home court in two seasons. Tiger passes were faulty and shots did not find the hoop.

dogs 32-28. A frenzied capacity crowd witnessed a slow first half, but a whirlwind rally in the closing minutes nearly evened things up. The final gun saw DePauw four points behind.

The Tigers lost their fourth consecutive conference engagement January 15 to Ball State at Muncie. As in the Butler tilt, a slow first half proved the downfall of the Bengals. The Cardinal five built up a lead in the initial periods that was too much to overcome.

DePauw continued her athletic supremacy over Wabash on January 19, winning 22-19 in an overtime game. Trailing by two points with but five seconds to go, Steele tied it up and cinched the game in the overtime with another two-pointer. DPU tallied but once in the first period.

The Bengals showed some of their early season punch February 5 and downed Earlham 33-24. This game virtually knocked the Maroons out of a tightening race for conference honors. It balanced the ledger for

the Moffettmen in the conference with four wins and four losses.

A brilliant mid-game rally proved insufficient and the Tigers lost to Ball State 34-25 on February 8. Tiny Rudicel captured sharpshooting honors for the visitors while Kix-Miller scored every Tiger field goal in the last half.

DePauw's hardwood squad was handed its sixth conference defeat by

the Franklin five February 12. A second half rally by the Bengals was ineffective when a last minute scoring punch was unavailable and the gun banged on a 31-28 score.

February 19 saw the Moffettmen in the Butler Fieldhouse where they absorbed a 40-24 walloping and seventh conference defeat at the hands of the Blue and White. After a fairly even first half, the Bulldogs drew away and could not be headed.

DPU played host to Evansville February 24 and emerged from the tussle with a 38-33 win and the fifth conference victory. Play was unusually spotty on both sides. The game pulled Old Asbury out of a thirteenth-place tie with the Purple Aces.

The Tigers needed no overtime to trim Wabash in the last game of the season March 1. The contest left DePauw on the red side of the conference record with seven losses and six wins. KixMiller scored 17 points to lead the Moffettmen to a 32-23 victory.

VARSITY TRACK

A turn out of largely juniors and sophomores showed up in April for what was to be a balanced season of three wins and three losses for Coach Leroy Buchheit's tracksters.

April 22, the Bengals got off to a flying start, gathering seven firsts and three seconds, to score 68 points

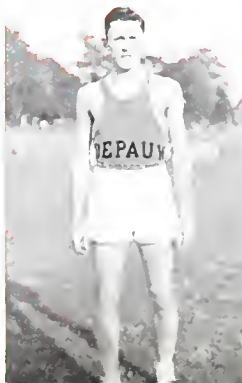

and defeat Indiana Central with 54 and Central Normal with 37. Sohl took the mile run in 4:38:5; Wise captured the two mile stretch in 10:13; and Stansell over the 120 high boards came in to break the tape. In the 880 Heintzberger came through as usual, and Yinger tied for first with Indiana Central in the 220 low hurdles. On the field Berry stopped at second place in the high jump; Bruce scored second with the javelin; and Mellwain cleared eleven feet six

inches to capture first honors in the pole vault. Jones, Lacy, Sohl, and Heintzberger took the mile relay easily with a time of 3:37. All in all, it was a successful day for the Black and Gold boys of the cinder path.

Victory continued in the dual meet with Earlham held on Blackstock field, the first day of May. DPU captured nine firsts and eight seconds to total 77 points against 34 for Earlham. Lacy, Jenkins, and Bruce led the Old Gold scorers, each of

them capturing one first and one second. Heintzberger led the pack in the 380, with the time of 2:03:3 and Sohl right behind him. Berry cleared the bar at five feet eight inches to win the high jump; Oswald and Bruce took the two top positions in the discus throw.

The fifth of May, the Tigers met Purdue on a rain-soaked field at DePaul to emerge from the mud at the short end of the 102 to 29 score.

Sohl took the mile run in 4:50, and Mellwain the pole vault at eleven feet six inches.

At Muncie, May 18, the DePauw cindermen in a dual meet with Ball State took the measure 76 to 50. Starting off in high speed, the team piled up 56 points in the track events by taking seven firsts to the Cardinals' one. Jenkins led the scoring for

DPU, taking first in the 100 and 220 dashes, and third in the broad jump. Heintzberger turned in a perfect score with wins in the 880 and 440 yard dashes. It was his first try at the 440. The final bulletin showed nine firsts and eight seconds for the Bengals.

However, five firsts and six seconds were not quite enough for the Buchheit thinlies when they met Butler, April 15. Heintzberger again led the pack in the 440 and 880 dashes. His time of 1:59 in the 440 was four seconds faster than any race he had previously run; it was his best of the season. In the field, Oswald led

the lads throwing the discus, and Neighbours took the jumps, both high and broad.

May 22 saw the Tigers come in second to Butler and lose the Little State title. Scoring honors were given to Heintzberger who combined a first in the half mile with a second in the 440 for a nine point total. Bob Neighbours took first in his

specialty, the broad jump, and fourth in the high jump for a six point total. The track was nothing more than a muddy lane, and consequently no new records were made at the meet. In the 1936 season the DePauw mile relay team set the record time of 3:26:2 which stood just as good as the day it was made. Oswald threw his way to fourth in the discus; Berry was third, and Neighbours

fourth in the high jump; Neighbours, Life, and Jenkins grabbed the first three positions in the running broad jump—the winning distance twenty-two feet one-half inch; and Nicodemus ended with fourth in the pole vault. The relay team scored second. The seven entries in the meet ended with the following scores: Butler 64, DePauw 27, Earlham 19, Ball State 14, Central Normal 12, Indiana State 5, Taylor 2, and Oakland City 1. Two firsts, three seconds, two thirds, and five fourths accounted for DePauw's 27 points.

Although every meet was not a victory, track was one of the most successful sports at Old DePauw in 1936-37—a balanced season of three losses and three wins. Purdue and Butler stood as the only victors; Earlham and Ball State bowed down to the Bengals and DePauw took a triangular meet with Indian Central and Central Normal. Losing the Little State title was the chief defeat of the year. Letters at the end of the

year went to those thinclads who had stiffened muscles and hardened feet to gain points for Old Gold's victories: Henry Heintzberger, Walter Sohl, Claude Wise, Gilbert Stansell, Milton Yinger, Ernest McIlwain, Richard Jones, Willard Lacy, William Jenkins, Charles Berry, Lawrence Bruce, Jack Oswald, Lloyd Reid, John Life, Raymond Clutter, Robert Neighbours, David Nicodemus, manager Edward Morgan, and trainer Harold Wright.

VAR-SITY BASEBALL

Indiana University took the season opener on April 7 on its own diamond, 7 to 0. Merkle went to first on DePauw's only hit.

At Franklin, April 10, the Tigers snapped out of it and took advantage of fourteen hits, five of them for extra bases, and nine Grizzly errors to capture a free scoring game 22 to 10. Here the Bengals showed their first batting strength and Randels struck out seven Grizzlies.

On the Fairview diamond on April 13 DePauw held a 4 to 2 lead over Indiana Central at the end of the seventh inning only to lose the contest 9 to 4 after the Greyhounds took advantage of five hits and a pair of Bengal errors in a weird eighth inning. Randels struck out ten Greyhounds.

The Tigers dropped a hotly contested game to I.U. in the eleventh

inning by a score of 5 to 4 on April 19. The Old Gold, playing heads-up ball, knotted the score at 4 to 4 in the eighth and held the Crimson and White until the eleventh. Bavasi greatly aided the Tigers by clouting a triple and three singles in five trips to the plate. Cooper held the Hoosiers to seven scattered blows.

DePauw won 13 to 5 at Indiana State on April 27. What started as a good ball game turned into a ninth inning rout as Messersmith's nine ran rampant in a final-frame scoring spree to send seven men around the circuit.

Wabash rallied in the ninth inning on April 29 to defeat DePauw by a score of 4 to 3 on the Crawfordsville diamond. Trailing by two runs, the Cavemen picked up three tallies in the seventh and eighth innings.

A 13 to 3 win over the Ball State Cardinals on May Day put DPU back in the winning column. The Tigers salted the tilt away in the fourth inning when seven runners crossed

On May 6 DePauw boosted the season's record to four wins and four losses as they outlasted a minor Franklin rally to defeat the Grizzlies

2 to 1 on the home diamond. Randels hurled for the Tigers, giving up only five hits and striking out five Baptists.

Ball State tamed the Tigers, May 8, by a score of 5 to 2. The Cardinals got off to an early lead and were never in serious danger. Mackie led the Tiger attack with two hits in two times at bat.

Wabash went Bengal lancing, May 10, to whip DePauw by a 5 to 1 decision at Crawfordsville. The lone DPU score came in the ninth stanza when Snider scored on a Caveman error and Merkle's single.

Although on the short end of a 3 to 0 score at the end of the third

inning of the Butler game on May 12, the Old Gold unleashed a ten-run scoring spree in the seventh and eighth innings and downed the Bulldogs 12 to 4. Levy led the clubbing of the Tigers with three hits out of five times at bat.

The Bengals hit a batting slump on May 14 and gave Indiana Central a 4 to 2 win after an eleven inning battle on the home diamond. Levy at center field captured defensive honors with six putouts, two of them on sensational running catches.

Rain washed out the May 18 schedule with Butler.

The University of Louisville came to town, May 19, and left with Tiger pelts and an 8 to 3 triumph. Batting eyes were still a little uncertain as the Louisville pitcher held the DPU batters to four hits.

A typical Greencastle rain closed the Indiana State-DePauw contest May 21 with the Bengals on the long end of a 4 to 2 score in the third inning.

The Wabash Cavemen invaded Greencastle on May 22 and beat the Old Gold again, this time to the more decisive score of 6 to 2. The game turned out to be a comedy of errors with eleven miscues being marked up against both teams.

The final game of the 1937 season with Butler drizzled out in the Indianapolis rain, leaving five seasonal wins and nine losses on the records.

The athletic banquet held on April 28 featured talks and movies by two former major-leaguers, Roger Peckinpough and Lew Fonseca.

Emil Bavasi, Arthur Bailey, Thomas Clinton, Walton Cooper, Dale Knarr, Leonard Levy, Earl Lewis, Robert Mackie, Robert Merkle, Fred Russell, Karl Randels, and Arthur Sieben were given major letter awards at the end of the season.

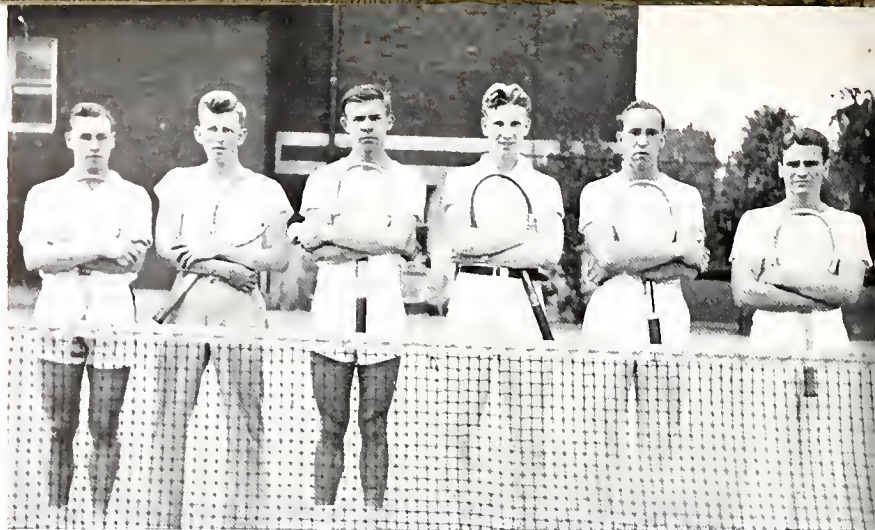

With all of the 1936-37 lettermen back with the exception of Lewis and with additions from the previous freshman team, prospects for 1937-38 were bright. The season started out with a 4-3 victory over the University of Chicago at Blackstock Field on March 22. On April 1 the score was 1-1 in the sixth inning with Indiana University when the game had to be called off because of cold weather.

During Easter vacation the baseball crew took to the road, chalked up three more victories, and lost but one game—that one by a narrow margin. The Tigers picked up two of these wins from St. Joseph College 8-2 and 3-0. On the following day, the team packed up and moved over to Lafayette where they trounced a highly touted Purdue squad 6-3. As a whole the vacation period was a success with three wins and one 8-7 loss to the University of Louisville.

On April 23 DePauw travelled up to Crawfordsville but was unable to overcome the Wabash jinx and lost 4-0.

DePauw's '38 baseball team started out well—defeating two Big Ten schools and tying another.

Ten successful scheduled meets climaxed by progression into the state intercollegiate doubles finals—the 1937 tennis season.

Ushering in the year, the Bengals captured their opening match with Indiana, 4 to 3. Here Bob Morgan defeated Ed Tieman, IU's ace, later the state king of singles and co-winner of doubles. The Indiana State meet on April 20 was halted by rain with the Tigers leading 3 to 0. April 26, DePauw took a return match at Terre Haute, 7 to 0. Earlham fell to the Tiger net stock 6 to 1 on May

Day, and four days later Wabash was handed a 9 to 0 shutout on their own courts. Beginning on May 6 with a 6 to 1 victory over Evansville and ending May 13, the Old Gold netters chalked up wins over Ball State, 6 to 0; Purdue, 5 to 2; Earlham, in a return match, 7 to 0; and Butler, 3 to 1; the final fray ended by rain.

Reaching the doubles finals in the state intercollegiate tourney held, May 20 to 22, at Earlham, Bill Condry and Johnny Lynn put the finishing touches on a record year.

The university golf team this year was organized and financed by Paul Van Riper, Wilbert Eckardt, James Honan, and Dick Kline. Considering the fact that the team had only the university course on which to practice, it more than upheld expectations, although all three matches were lost. The DPU golfers met disaster at the hands of the Purdue ball smackers, 18 to 0. Since the team had not practiced on grass greens, the putting in this match was ragged. Approximately 77 strokes was aver-

aged by the Purdue team, DePauw was about four strokes higher. Both single and double matches were won by Purdue, 3 to 0.

On May 11, when the divots had been replaced DePauw was found on the small end of a 131-2 to 41-2 score with Wabash. A return match with Wabash a few days later was lost by one-half a point. Although this season failed to put DePauw golfers on the heavy side of the balance it was a definite display of Old Gold loyalty and spirit.

CROSS COUNTRY

The 1937 cross country season opened October 16, with a 20 to 35 victory over Wabash on the home course. Sohl and Clutter, hand in hand finished first, and Ryden fourth.

On October 30, the Old Gold harriers gave way to the faster Butler thinlies, 24 to 31. Southworth, Butler ace, established a new record of 19:27 for the home course, one minute and two seconds faster than the old standard. Ryden and Sohl ran third and fifth.

Earlham came here, November 6, to force the DePauw runners again on the low end of a 26-29 score. Ryden followed two Earlham veterans in one of the closest finishes of the year.

A fourth and final meet held on the Crawfordsville course gave the Tiger harriers a 21 to 34 victory over the Wabash Cavemen. Ryden romped in first and Clutter second.

On November 20, the Black and Gold thinlies came home from the Little State cross country meet at Wabash with 52 points and second place honors, losing to Butler. The team was coached by Wally Sohl and Ray Clutter.

DePauw's 1937-38 swimming team enjoyed a very successful season, winning seven out of ten meets. Indiana University downed the Tigers 58-26 in the initial encounter. Other losses came at the hands of Purdue and Ohio Wesleyan.

The highlight of the Bengal campaign came on the evenings of February 17 and 18 when the Old Gold defeated Illinois College and George Williams by wide margins and smashed five varsity records. Other victories in the Bowman pool saw the Tigers wallop Bradley Tech and Armour Tech, 50-25 and 59-25. The Old Gold climaxed their season by crushing North Central College, 47-28; Armour Tech, 43-32; and George Williams, 52-31 in a record-shattering road trip to Chicago on the week-end of March 12.

Outstanding of the several pool records made at DePauw this year was Dick Kiger's 1:56.1 for the 150 yard backstroke. The free style relay team, consisting of Voyles, Coons, Erdmann, and Salisbury, lowered the varsity time for the 400 yard event to 4:00.5.

The DePauw rhinie swimmers failed to come through in their two telegraphic meets, losing to the Oberlin yearlings 49-17 and to the Purdue freshmen 49-26.

FRESHMAN BASKETBALL

The DePauw rhinies inaugurated their season, consisting of two games, with a 32 to 0 loss to the Butler yearlings at Blackstock Field on October 23. The Bullpups sported a 200 pound line and a fast, shifty backfield, completely outclassing the inexperienced Old Gold team.

A considerably improved team of Tiger cubs took the field at Wabash on November 5, and the two teams floundered to a scoreless tie in a sea of mud. The rhinies held the much heavier Caveman squad powerless under the most trying of playing conditions.

The DePauw rhinie hardwood squad took a clean sweep of its 1937-38 season. January 12, eleven men saw action against Indiana State. In this opening court battle, which ended 30 to 25 for DePauw, Bob Spear led the scoring with 10 points. Considerable improvement marked the second game with Wabash, and revenge for two defeats by the Little Giants rhinies last year was gained when the Bengal frosh led by Myers and Houghland won, 33 to 25.

DePauw's freshman track team lost their only meet on May 26 to Butler 70-61. Scott ran the Century one-tenth of a second faster than the varsity had run it. Tiger firsts were these: 100 yard dash, Scott; 440, Offenhauer; pole vault, Steele; discus, Hager; and javelin, Gilbert. The following were seconds: 220, Capodiferro; 880, Offenhauer; 120 high hurdles, Hanna; 220 low hurdles, Hanna; high jump, Swanson; shot put, Rohn; and discus, Rohn.

The DePauw freshman baseball team won their opener from Wabash 10 to 8 on May 11. The Cavemen led until the fourth inning when they blew up and the Tiger cubs counted six tallies. On May 20 DePauw nosed out Wabash again 2 to 1. The Tigers made a run on two hits in the first inning, the Neolithics evened the count in the seventh, and DPU pulled the game out of the fire in the ninth with one much-needed run.

“D” ASSOCIATION

Athletics have always played an important part on the DePauw campus. This was recognized in the year 1907 by the origin of the custom of awarding “D” sweaters. Shortly after this, the wearers of the “D” banded together to form the “D” association. This organization was active until 1925 when there was a lull in enthusiasm until 1931. Its aim is to increase student interest in athletics and to promote better understanding and co-operation between the student body and the athletic department. Coaches D. C. Moffett and L. L. Messersmith, lettermen of 1923 and 1928, respectively, were chosen sponsors. The officers for the year 1937-38 were Jack Oswald, president; Edwin Lindsay, vice-president; and Robert Landeck, secretary-treasurer.

To provide physical activity for men students who are not on the varsity teams is the aim of the intramural department. The organization of teams is facilitated by grouping the students on the campus into an intramural association composed of seventeen groups—thirteen fraternities, two dormitory groups, and one independent group. The governing body of this association is composed of one representative of each of these groups, the head manager of the sport in season at the time of the meeting, and the director of intramurals. An executive committee composed of the officers of the intramural association—the president, vice-president, secretary, treasurer, and director of intramurals—rules on all protests, questions of eligibility, and similar matters pertaining to the proper functioning of the intramural program. Officers of this executive committee for 1937-38 were Emil Bavasi, president; Dick Jones, vice-president; Donald Wright and Charles Harbottle, secretary; James Campbell, treasurer; and L. L. Messersmith, director of intramurals.

Alleene Makemson won the fall tennis tourney.

Much enthusiasm and keen spirit were shown in all the men's intramural contests this year. The various games were sponsored by the intramural association. This year's victors are: Hall (1), ping pong; Phi Delta Theta, baseball; Phi Kappa Psi, speedball; Phi Kappa Psi, track; Delta Tau Delta, golf; Delta Tau Delta, swimming; Hall (1), handball; and Hall (1), volleyball.

WOMEN'S SPORTS ASSOCIATION

WSA is the Women's Sports Association at DePauw. It was founded in 1915 to promote more efficiency and greater competition in sports among the women of the university. The organization sponsors all inter-class, intramural, and individual activities in women's sports and awards cups to intramural and individual winners. To be eligible for membership, any woman must participate in one major sport or two minor sports. The governing board of WSA consists of four officers and eight sport heads, advised by Miss Rachel Benton. The sport heads for 1937-38 were Betty Macy, Barbara Luce, Virginia Nilles, Ruth Durham, Peg Flanders, Betty Smith, Irene Boyd, and Phyllis Carleton. The officers were Helen Phillips, president; Dorothy Bell, vice-president; Janet Wright, secretary; and Vera Bundy, treasurer.

The Naiad Club was organized in 1921 to promote interest in swimming among DePauw women. Discontinued in 1929, it was reorganized in 1932 under the direction of Miss Rachel Benton and Miss Catherine Riggs. Members of Naiad are chosen at competitive tryouts held each year. Each member receives a "D" to wear on her swimming suit.

The club meets at the pool for an hour's swimming each Monday evening to practice for the May Day Exhibition and for the Intercollegiate Telegraphic Meet which is entered by colleges all over America. These races are held in the entrants' home pools, and then the results are sent in to Mundelein College in Illinois. Last year Naiad made three placements. The president for the year 1937-38 was Betty Macy.

KAPPA TAU KAPPA

Kappa Tau Kappa, founded in 1902, was established for the purpose of bettering inter-fraternity relations. In 1930 it was admitted to the National Fraternity Council. This group endeavors also to maintain an understanding between fraternities and the administration.

Its membership consists of one representative from each house who is chosen by the organization. Each year, Kappa Tau presents a cup to the fraternity making the highest scholastic average and supervises the Old Gold Day contest for house decorating. Meetings are held every Sunday evening to consider fraternity problems. The aim of the council is to sponsor projects not only for fraternity members but for the benefit of the whole student body.

Officers for 1937-38 were M. J. Moore, president; Jack Grady, vice-president; and Kenneth Lemry, secretary-treasurer.

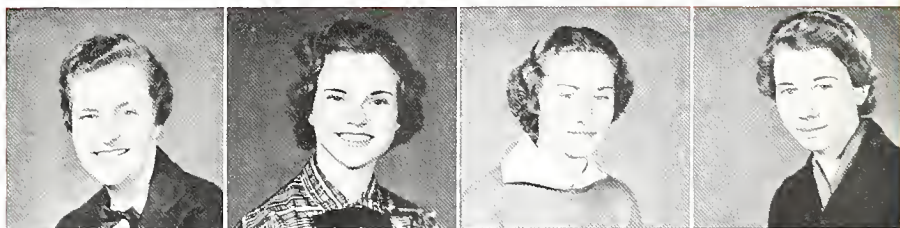

The Pan-Hellenic council is composed of two members, a junior and a senior, from each sorority house, with Dean Helen C. Salzer as faculty adviser. Each senior member is succeeded in the spring by a newly elected sophomore. Its purpose is to promote co-operation among campus sororities. It strives to maintain social and scholastic standards in co-operation with the administration. The chief work of the council this year has been the revision of the rushing system.

The Council, meeting once a month, sets the requirements for pledging and initiation. Frequent conferences with the scholarship advisers help maintain a high standard of scholastic endeavor. The annual dance is attended by eight representatives from each house.

Officers for the year 1937-38 were Janet Dow, president; and Jane Cooling, secretary-treasurer.

ALPHA CHI OMEGA

Alpha Chi Omega was the sixth national women's fraternity organized and the third to have a chapter on the DePauw campus. Its Alpha chapter was founded at DePauw on October 15, 1885, by seven music school girls aided by Dean James Hamilton Howe. Four of the founders are still living. The fraternity at first limited its membership to music students but soon expanded to include among its members students from the liberal arts colleges.

The organization now has sixty chapters in the United States and one in Canada.

The Alpha Chi Omega badge is a jeweled lyre; the colors, scarlet and olive green; the flower, the red carnation.

Alpha chapter officers for 1937-38 were Ruth Wade, president; Betty Phillips, vice-president; June Crump, secretary; and Louise Beechey, treasurer.

ALPHA GAMMA DELTA

Alpha Gamma Delta, founded at Syracuse University on May 30, 1904, now has forty-seven chapters. Eta chapter was founded at DePauw in 1908. One of the chief interests of Alpha Gamma Delta is the maintenance of two summer camps for under-privileged children, one in Jackson, Michigan, which was begun in 1920, and the other in Ontario, Canada, organized in 1932. Representatives from the various chapters run the camps.

The fraternity badge is a monogram in gold of the three Greek letters of its name. The colors are red, buff, and green; the flowers, red and buff roses.

Eta chapter officers for the year 1937-38 were Mildred Wessel, president; Helen Phillips, first vice-president; Jean Fillingham, second vice-president; Lillian Applegate, secretary; and Emily Wolcott, treasurer.

ALPHA OMICRON PI

At Barnard College in New York, the Alpha Chapter of Alpha Omicron Pi was organized in 1897. This is the only national fraternity ever to be founded at that school.

Beginning as the "Just for Fun" Club in Greencastle High School, this local organization became Theta chapter of A. O. Pi in 1907, when at the suggestion of Bishop Edwin Holt Hughes, this group of twenty-one girls affiliated with Alpha Omicron

Pi to become the fifth women's national organization on the DePauw campus.

The badge is a monogram of the Greek letters; the fraternity color is cardinal; and the flower is the Jacqueminot rose.

Officers of Theta chapter for 1937-38 were Lila Dayhoff, president; Mildred Gadiant, vice-president; Harriett Jean Wright, secretary; and Betty Stevens, treasurer.

ALPHA PHI

Alpha Phi was founded in 1872 at Syracuse University. From the first, the founders were eager for national organization, a dream which came true with the founding of Beta chapter at Northwestern nine years later.

Gamma, the only Indiana chapter, was founded at DePauw in 1887. With the addition this year of a chapter at American University in Washington, D. C., there are now thirty-seven chapters.

The colors of the sorority are silver and bordeaux; its emblems are the ivy leaf, the lily of the valley, and the forget-me-not. Its pin is a plain gold monogram of the two Greek letters of its name.

Gamma officers for the year 1937-38 were Kathlyn Holway, president; Margaret Nix, vice-president; Helen Roll, secretary; and Ann Haynes, treasurer.

ALPHA TAU OMEGA

The Alpha chapter of Alpha Tau Omega was established by three young confederate soldiers at the Virginia Military Institute at Lexington, Virginia, in 1865. The prime object was to unite the young men of the north and the south in a Christian brotherhood. The spirit of the new fraternity did much to raise the morale of the badly broken southern collegians. Delta Rho chapter of Alpha Tau Omega grew out of a local fraternity, Delta Sigma Chi.

The A.T.O. pin is the black enameled cross; the colors are sky-blue and old gold; and the fraternity flower is the white tea rose.

The officers of Delta Rho chapter for 1937-38 were Myron T. Fouke, president; William W. Osborn, vice-president; Charles Kendall, treasurer; and Roger Sedgwick, secretary.

BETA THETA PI

Beta Theta Pi was founded at Miami University in Oxford, Ohio, on August 13, 1839. It was the first member of what was later called the Miami Triad. Since then, the fraternity has grown until it now includes eighty-nine chapters throughout the United States and Canada.

Delta chapter of Beta Theta Pi was given a charter at DePauw in 1845, the first chapter of a Greek letter fraternity to be established in Indiana.

The badge of Beta Theta Pi is an eight-sided shield, the sides of which curve inward. The fraternity colors are pink and blue, and its flower is the rose.

Delta officers for the year 1937-38 were Arthur Sieben, president; Paul Van Riper, vice-president; James Haman, secretary; and Wendell Martin, treasurer.

DELTA CHI

Delta Chi, founded as a fraternity for law students at Cornell University in 1890, installed its fourth chapter at DePauw University on May 9, 1892. This chapter left the campus in 1894 with the old Law School, but was reestablished in 1927 as a social organization.

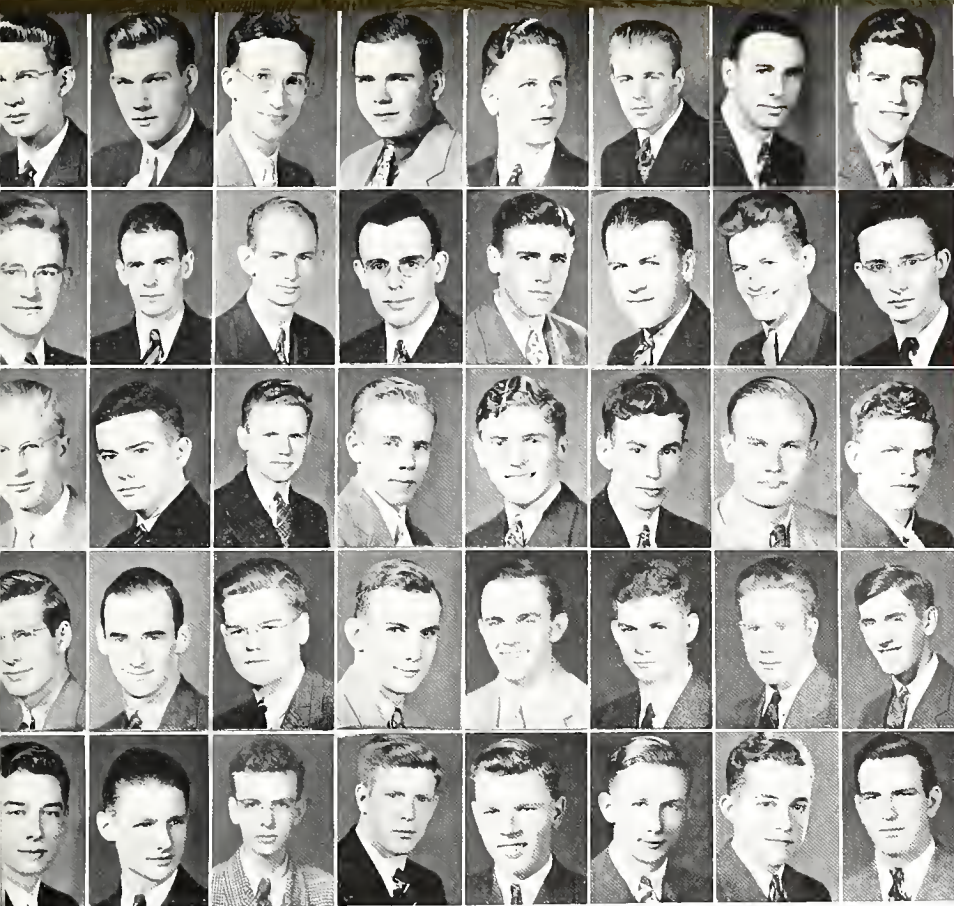

The local chapter has permanent possession of the Kappa Tau Kappa inter-fraternity scholarship cup.

The Delta Chi pin is a combination of the two Greek letters; its colors, red and buff; its flower, the white carnation.

DePauw chapter officers of Delta Chi for the spring and fall of 1937 were Arthur Erickson, president; Jack Armstrong, vice-president; Edwin Warner, secretary; and James Baxter, treasurer.

DELTA DELTA DELTA

Delta Delta Delta was founded at Boston University on Thanksgiving Eve, 1888, and the complete Alpha chapter of eighteen members was organized on January 15, 1889. There are now eighty-four chapters in the United States and three in Canada.

On June 10, 1908, Delta Alpha chapter, first organized as a local club, received its charter from the national fraternity.

The Tri-Delta pin consists of three pearl stars in a crescent moon. The pansy, pearl, and pine tree are emblems of the fraternity and the colors are silver, gold, and blue.

For the year 1937-38 the Delta Alpha offices were held by Flora Milnes, president; Betty Finch, vice-president; Mary Jane Hunter, secretary; and Evelyn Schwartz, treasurer.

DELTA KAPPA EPSILON

Delta Kappa Epsilon, better known as Deke, was founded at Yale University on June 22, 1844. The growth of the organization was rapid, and some thirty chapters were established before the outbreak of the Civil War. There are now forty-seven chapters in the United States and Canada and more than twenty-five thousand living members. Psi Phi chapter, the only chapter in Indiana, was founded at DePauw in 1866.

The Deke badge is diamond-shaped, displaying a white scroll on a ground work of black enamel and bearing the letters of the fraternity. The colors are crimson, blue, and gold.

Psi Phi chapter officers for the year 1937-38 were Emmett Jackson, president; Felix McWhirter, vice-president; James Danforth, secretary; and James Meyers, treasurer.

DELTA TAU DELTA

Delta Tau Delta was founded at Bethany College, West Virginia, in 1859. In 1886 it united with the Rainbow or W.W.W. society which had been in existence in Southern colleges since 1848. There are now seventy-five active chapters with a total membership of about twenty-five thousand members. Delta Tau Delta, the seventh fraternity at DePauw, established its Beta Beta chapter on the campus May 1, 1871.

The badge is a square with concave sides and displays the Greek letters in gold on black enamel. The colors are purple, gold, and white, while the fraternity flower is the pansy.

Beta Beta officers for the year 1937-38 were Robert Morgan, president; Floyd Green, vice-president; Parker Smith, recording secretary; and Maurice J. Moore, treasurer.

DELTA UPSILON

Delta Upsilon, founded at Williams College in 1834, is the oldest national fraternity having a chapter on the DePauw campus. Delta Upsilon began as a protest against secret social fraternities but has since changed its policy to one of non-secrecy rather than one of anti-secrecy. The fraternity now has fifty-six active chapters in the United States and Canada. The local chapter was organized in

1887 from a campus club, the Organized Barb Society.

The Delta Upsilon pin consists of a combination of the two Greek symbols of its name. The fraternity's colors are old gold and sapphire blue.

Fraternity officers for the year 1937-38 were John Grady, Jr., president; J. Walton Cooper, vice-president; Norris Krueger, secretary; and Lewis Spencer, treasurer.

DELTA ZETA

Delta Zeta was established at Miami University on October 24, 1902, by six of the first women admitted into that university. Delta chapter was installed at DePauw on May 21, 1909. There are fifty-nine active chapters. The organization is divided into provinces with a president over each province.

The badge of Delta Zeta is a Roman lamp resting on an Ionic column. At the base of the lamp are

four pearls, while the lamp bears the letters of the fraternity. The colors are old rose and Nile green and the flower is the Killarney rose.

The officers of Delta chapter for the year 1937-38 were Beatrice Wyman, president; Julia Dallava, vice-president; Gwendolyn Bowman, secretary; and Margaret Alice Riley, treasurer.

GAMMA RHO ALPHA

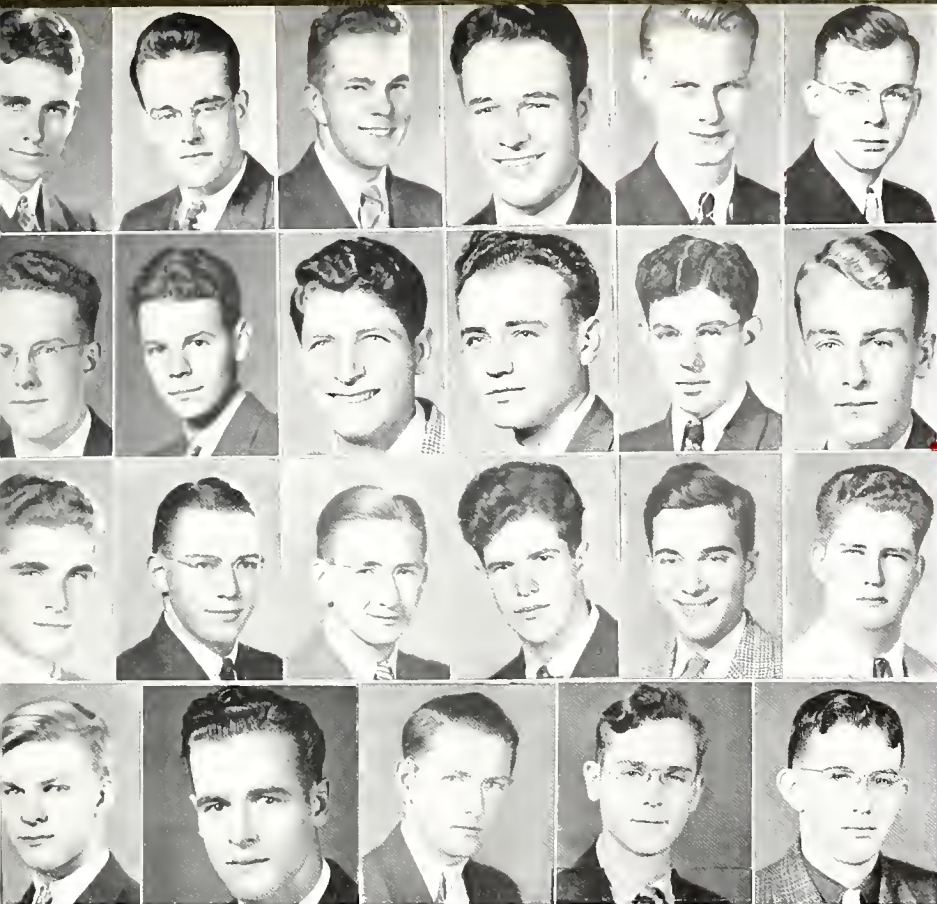

Gamma Rho Alpha, founded November 12, 1937, grew out of the former DePauw chapter of the American Association of Commons Clubs which had been active on the DePauw campus from the date of its organization in 1923. Built on a firm foundation of principles which stand for the furtherance of brotherhood, scholarship, and character among its members, Gamma Rho Alpha is active in athletics, scholarship, and campus affairs at DePauw.

The badge is a black shield with the Greek letters Gamma Rho Alpha inscribed in gold. The fraternity colors are black and gold; the flower, the red carnation; and the jewel, the pearl.

Officers for the school year 1937-38 were Harold Downey, president; Harrison Lee Anthony, vice-president; Linzy Trueblood, secretary; and Earl Lawrence, treasurer.

KAPPA ALPHA THETA

On January 27, 1870, Kappa Alpha Theta, the first women's Greek letter fraternity, was founded at DePauw University. The four founders, and the only co-eds in old Asbury at the time, set out to form a fraternal organization modeled after men's fraternities. Mrs. Bettie Locke Hamilton, the only living founder, lives in Greencastle.

Spreading rapidly with the growth of women's education, Theta now has

sixty-five chapters in the United States and Canada.

The Kappa Alpha Theta pin is in the shape of a kite with the Greek letters across the face. Its colors are black and gold; its flower is the black and gold pansy.

Officers of Alpha chapter for 1937-38 were Janet Dow, president; Peggy Offutt, vice-president; Janet Wright, secretary; and Jane Shideler, treasurer.

KAPPA KAPPA GAMMA

Three girls organized the Alpha chapter of Kappa Kappa Gamma in 1870 at Monmouth College, Monmouth, Illinois. Because of the opposition to women's Greek letter fraternities, the organization was kept secret from March until October. With the continuance of the opposition, the Alpha chapter became inactive for a short time. This necessitated a change in the supreme rule of the fraternity, and various sister chapters were in turn the Grand

Chapter in place of Alpha. Iota chapter was established at DePauw five years after the founding of the fraternity.

The fraternity pin is a small golden key. Its flower is the fleur-de-lis; its colors two shades of blue.

Iota chapter officers for this year were Louise Lindley, president; Jane Cooling, vice-president; Anne Ebbert, secretary; and Mary Dyer, treasurer.

LAMBDA CHI ALPHA

Lambda Chi Alpha, founded at Boston University in 1909, grew out of the Cosmopolitan Law Club. Xi Zeta chapter was organized at DePauw in 1915 from a campus group, the Darsee Club. Although it had been organized nationally but two years when its members, one hundred per cent strong, enlisted in the World War, Lambda Chi Alpha was able to continue on the DePauw campus.

The colors of Lambda Chi are purple, green, and gold, while the flower is the purple iris. The fraternity pin is a pearl-set crescent enclosing a monogram of the Greek letters, Lambda, Chi, and Alpha.

Fraternity officers for the year 1937-38 were George D. Colborn, Jr., president; Norman J. Grieser, vice-president; John N. Garrabrandt, secretary; and Kenneth Lemry, treasurer.

PHI DELTA THETA

Phi Delta Theta, the second member of the Miami Triad, was founded at Miami University at Oxford, Ohio, in 1848. Its expansion since that time has proceeded steadily until today Phi Delta Theta has one hundred seven chapters and ranks as the largest of college fraternities.

Indiana Zeta was established at DePauw in 1868. The chapter now holds the intramural trophies of the campus for the last two years.

The colors of the fraternity are blue and white; the flower is the white carnation. The Phi Delta pin is a shield with a scroll bearing the Greek letters, to which a sword is attached by a chain.

Indiana Zeta's officers for the year 1937-38 were Rolla McDonald, president; Art Remley, treasurer; and Luther Barrett, secretary.

PHI GAMMA DELTA

Phi Gamma Delta was founded at old Jefferson College, now Washington and Jefferson, in 1848. The national fraternity has grown until it now has seventy-three chapters in the United States and Canada.

Lambda of Phi Gamma Delta was granted its charter at DePauw University in 1856. With the disbanding of the southern and eastern chapters of the fraternity during the Civil War, Lambda came to be the fra-

ternity's oldest chapter in point of continuous existence.

The fraternity pin is a diamond with a black background, having the Greek symbols across it. Its flower is the purple clematis, while its colors are purple and white.

Lambda officers for 1937-38 were James Carney, president; Walter Dickey, treasurer; and George Haimbaugh, secretary.

PHI KAPPA PSI

Phi Kappa Psi was founded at Jefferson College on February 19, 1852, by those ministering to the ill during an epidemic of typhoid, among whom a warm friendship had sprung up. The leaders of its organization were Charles P. T. Moore and William H. Letterman. After failing in an attempt to found a chapter at Union College in 1853, Moore established a second chapter at the University of Virginia.

Indiana Alpha Chapter was founded at DePauw in 1865. The Phi Psi pin is a shield with the Greek symbols across it. Its flower is the Jacq rose, while cardinal red and hunters' green are its colors.

Indiana Alpha officers for the year 1937-38 were Fred Frick, president; Emil Bavasi, vice-president; Kennard King, secretary; and Joe Barr, treasurer.

SIGMA CHI

Sigma Chi was founded at Miami University in Oxford, Ohio, on June 30, 1855, thus completing the Miami Triad. Growing steadily, the fraternity now has ninety-seven active chapters located in the United States and Canada and more than thirty-two thousand living initiates.

Xi of Sigma Chi was founded on the DePauw campus in 1850. Originally located above the present J. C.

Penny store, the chapter moved into its present house in 1909.

The badge of Sigma Chi is the white cross; the flower is the white rose; and the colors are blue and old gold.

The officers of Xi for the year 1937-38 were Robert Dewar, president; Alan Schneider, vice-president; Allan Anderson, treasurer; and Harold Cook, secretary.

SIGMA NU

Sigma Nu was organized on January 1, 1869, at Virginia Military Institute. The immediate cause of the organization was the opposition to a society known as the "Blackfeet" then in sway at the Institute. Success was not easily won owing to the fact that the chapters first established were *sub rosa*. In 1883 only three were active; then the fraternity

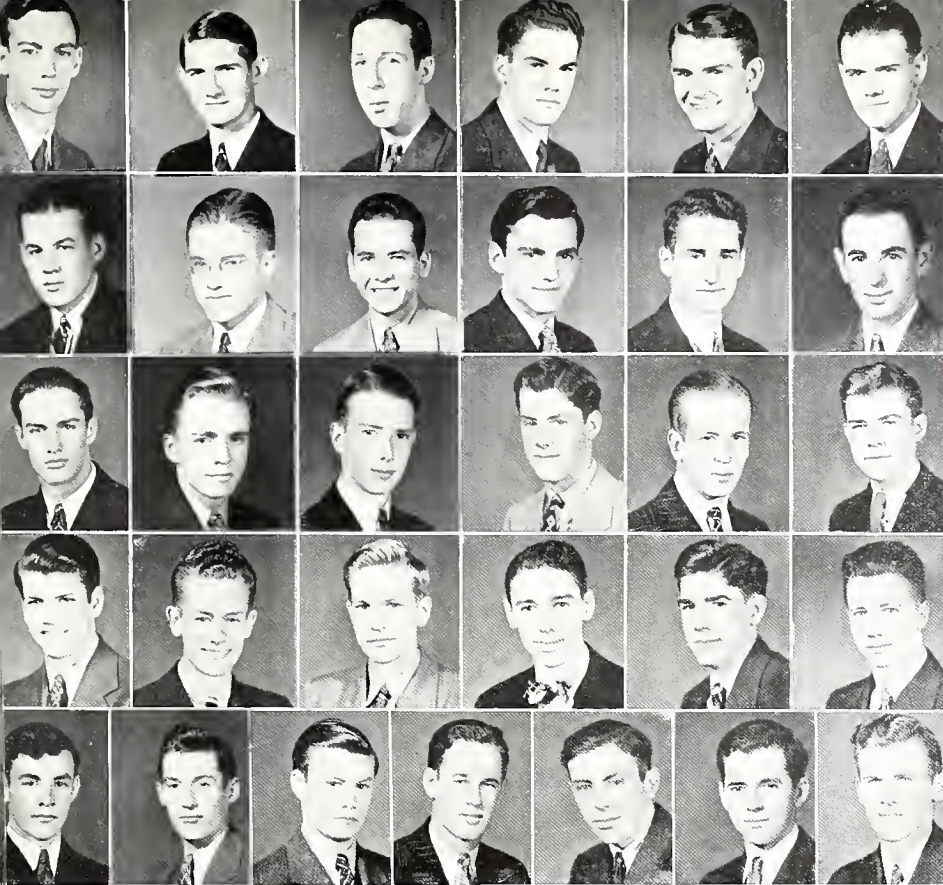

steadily increased until there are now ninety-eight active chapters.

The flower of Sigma Nu is the white rose; the colors are black, white, and gold; and the pin is the white, five-armed star.

Officers for the year 1937-38 were Harold Wright, Commander; James Campbell, Lieutenant Commander; Joseph Parshall, Recorder; and Robert Bradburn, House Manager.

MEN'S HALL ASSOCIATION

Men's Hall Association was organized in 1920 in order to enable those living in the dormitory to participate in group activities. After a four-year period of experimentation, all the social, political, and scholastic ideals which had been the minds of the founders were embodied in a constitution.

The addition of Longden Hall in 1928 enlarged the dormitory quarters and provided a social center for M.H.A. In 1929, the Men's Hall association was incorporated under a state charter.

HALL

As a result of the organization of this association, dormitory residents have participated prominently in campus activities. Last year, the men's inter-fraternity sing was won by M.H.A.

“These things have taken place before our eyes”

In these words the citizens of an Indiana city paid their tribute to the life work of a DePauw Alumnus, Dr. William A. Wirt, whose name has been carried far. In a similar way through DePauw University the name of Greencastle has gone out unto the ends of the earth. Things of world wide significance have taken place before OUR eyes. The great contribution of one hundred years of service we, the citizens of Greencastle, gratefully recognize. For the coming hundred years we pledge our continuing regard and loyal support.

TO WHAT SORORITY DID JEAN BELONG?
WHO TAUGHT AMERICAN LITERATURE?
WHAT WAS THE NAME OF THAT BIG HUSKY BACK?
HOW MANY WERE IN ARCHIE'S FRATERNITY?

These and many more questions, will be hard to answer twenty years hence. Definite proof will be found in the data and particularly the photographic reproductions of the MIRAGE.

*We are proud of the privilege to have been DEPAUW'S

"They'll Double
Your Home
Convenience"

Make Every Light
Socket Work

Upstairs, downstairs, or
in the basement, any empty
socket is a gap in the con-
venience of your home. Try
filling them all up with
Mazda lamps—then notice
the difference it makes in
every day comfort. You'll
find that you save steps and
save time when you enjoy
complete lighting service . . .
that your home is pleasanter
and safer than before.

THIS STORY BEGINS 20 CENTURIES AGO

NOBODY knows when concrete was first used. At the dawn of the Christian era, ancient Rome was using concrete extensively; her military highways were largely built out of this structural material. In the Appian Way, constructed in the 3rd century B. C., several sections of the original roadway are still in use.

Down through the ages, mankind has built with concrete, for permanence and economy. And the sphere of its usefulness has constantly widened, as the quality of cement has been steadily improved and the strength and durability of concrete increased.

Nowadays, cement-making is chemically controlled at every stage. Raw materials are crushed and mixed in carload lots; yet, no druggist compounds a prescription more carefully than a cement chemist tests, measures and weighs the raw materials that pass through a modern mill.

For more than a quarter century, Lone Star Cement has taken a leading part in advancing quality standards. Made by one of the world's largest cement producers, Lone Star is widely used throughout the nation, for highways, buildings, bridges, dams, homes, and the many other types of structures where low initial and ultimate cost, as well as beauty, permanence and fire-safety, are essential.

In 1927, the makers of Lone Star Cement introduced 'Incor' 24-Hour Cement. Through advanced manufacturing methods, 'Incor' cures or hardens in one-fifth the usual time; concrete placed one day is in use the next. Both Lone Star and 'Incor' are true Portland cements in all that the term implies by way of quality and uniformity. Both produce concrete of the same high strength and durability. Both are used in exactly the same way in building work. The only difference is that 'Incor' cures faster and is ready for service sooner, so it is used where the time and money thus saved offset its slight extra cost.

Both Lone Star and 'Incor'* Cements are manufactured at the Greencastle mill of the Lone Star Cement Corporation.

In Appreciation

Every year the merchants of Greencastle and other cities cooperate by doing their share toward making the Mirage a financial success.

The staff appreciates the spirit of the merchants who cooperated in making this year's book a success, and appeals to the students of DePauw University to show their appreciation by trading with these business establishments whenever possible.
